DREAM | BELIEVE | ACHIEVE

Dear Parent/caregiver

I am writing to advise that our school will be open tomorrow, Monday 28 June 2021.

You may have seen the WA Government announce restrictions for Perth and Peel have been put in place for a minimum of three days. We will continue to monitor these restrictions and communicate any amendments to our families in a timely manner. Masks are now mandatory indoors, on public transport and in outdoor areas.

Secondary students and all teachers must wear masks. Teachers can remove masks to teach. This will be similar to the conditions that both students and staff successfully followed in February and April this year.

I respectfully request that parents/caregivers please provide their child with an appropriate and proper fitting mask so that they are fully prepared for tomorrow morning. Any student who is unable to acquire their own mask will be provided with a mask as they enter the school by the Student Services Team.

Following this latest health advice our school remains open for learning and parents/caregivers will be able to drop their children at school.

The safety of staff and students is a priority and extra cleaning and hygiene measures continue. The latest health information is available through WA Health Department.

I appreciate your support.

Kind regards

Dr George Sekulla
Principal
