EDITION NUMBER 9

DECEMBER 1991

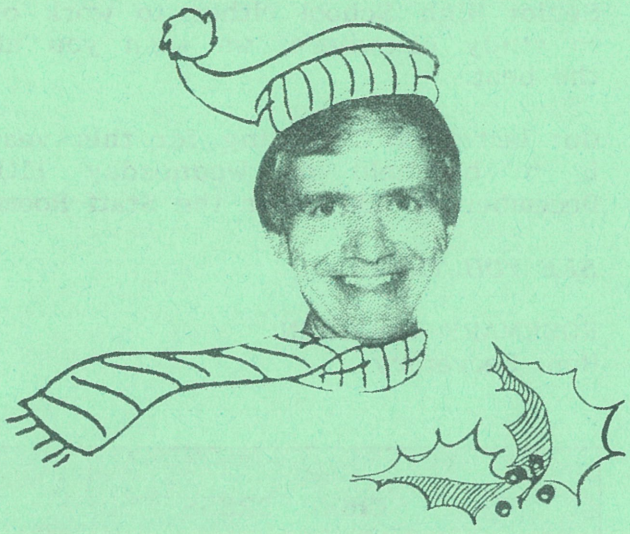

SWAN VIEW SENIOR HIGH SCHOOL

NEWSLETTER

Merry Christmas

PRINCIPAL'S MESSAGE

The final Year 12 Assembly was a rather grand occasion. The Executive Staff wore academic regalia to signify the importance of the event, which marks the end of 12 years of formal schooling, and to give the student body the opportunity to say farewell in a dignified way. A guard of honour extended from the gymnasium to the front of the school where students had their vehicles in readiness to depart, in what was for most, an orderly departure assisted by official looking gentlemen with blue lights on the roof of their cars. As Year 12's began their Tertiary Entrance Examinations, the strain of it all began to show on a number of faces. Unfortunately, the time comes when each is on his or her mettle faced with a task of being alone while straining to achieve a cherished goal. I'm sure that from the list of awards at the Awards Ceremony on November 27, 1991, our students are as well prepared as they could be. In his address, Dr Mossenson, Chairman of the Secondary Education Authority, mentioned that not all will succeed. Some will achieve tertiary entrance while others will move to TAFE, some to employment and some regrettably to unemployment. He stressed the importance of being occupied in such things as community or further study while working towards a desired goal. Dr Mossenson emphasized that a study carried out at Governor Stirling Senior High School many years ago indicated that many students who, initially did not achieve tertiary entrance, with maturity performed better at tertiary level than many who proceeded directly from school. I'm sure that we all wish them every success in the future. I'm also hopeful that as many as possible ex year 12 students will join the Ex Students Association so that they can extend their association with the school, and each other, and become part of our extended school family. The cost for the first year of membership is $5.00. There is a membership form at the back of the newsletter. The Awards Evening was a magnificent occasion and a number of parents have commented on the dignity and splendour of the occasion. Perhaps we could do even better next year. The ultimate accolade of the evening went to Rueben Taylor who was awarded the Doug Love Dux Award. We have a number of souvenir Awards Ceremony Programmes which are still available. If you would like one please contact the Front Office.

The final assembly for Year 10 students will be held on Friday 13 December, 1991, in the gymnasium. This is an important occasion as it will mark the end of compulsory schooling. Parents are welcome to attend. We expect about 90% of these students will return next year, the highest percentage ever. Reports for Lower School students will be issued after the assembly. An Excursions day will be held on Monday 16 Dec ember for students in Years 8 and 9, I hope that as many students as possible will take the opportunity to participate in one of the many activities available. It is an opportunity for staff and students to get to know one another a little better in a more informal atmosphere. All staff will be available on Tuesday for parent interviews. It will be necessary to make an appointment as it is potentially too disruptive if parents arrive unannounced. School will close at 12.00 noon on Wednesday 18 December, 1991, and reopen for students on Wednesday 29 January, 1992.

I have enjoyed my brief term as Principal and I should like to take this opportunity to thank the many students, parents and staff who have made it so enjoyable.

I hope that you all have a safe and happy holiday.

May the spirit of Christmas be with you and your family in the weeks ahead and bring you much joy and happiness on Christmas Day.

IAN MELVILLE
Acting Principal

TERM DATES 1992

SEMESTER 1

Term 1: Wednesday 29 January - Friday 10 April

Term 1 Break: Saturday 11 April - Monday 27 April

Term 2: Tuesday 28 April - Friday 3 July

Term 2 Break: Saturday 4 July - Monday 20 July

SEMESTER 2

Term 3: Tuesday 21 July - Friday 25 September

Term 3 Break: Saturday 26 September - Sunday 11 October

Term 4: Monday 12 October - Wednesday 16 December

P & C NOTES - DECEMBER 1991

1991 is almost over and we would like to wish everyone a safe and happy Christmas and New Year.

To those students leaving Swan View Senior High School either to work or to study elsewhere, we wish you all the best.

Out last P & C meeting for this year is to be held on Wednesday 11th December at 7.30 pm in the Staff Room.

SEE YOU THERE

ROSEMARY KARVINEN
Hon. Secretary

SCHOOL DRESS

Summer is certainly upon us and those summer shirts probably don't fit any more because Boris or Betty have grown so much. So... why not buy a school coloured shirt from the House Centre. There are a range of sizes available in two styles. At $10 and $13 they are the cheapest around town.

YEAR 11 CLASS OF 92 SHIRTS AND RUGBY TOPS

Year 11 students during the term decided on designs and colours for their shirts and tops for 1992. The shirt design will be a white Polo Neck Shirt with grey pocket design identical to that used this year.The Rugby top design will revert back to that used for 1989 and earlier.

Preliminary orders and deposits have been taken for these items of clothing for 1992. Parents should be aware that the deposit was necessary because once an order is placed for the fabric the school will be liable for this cost. Should there be insufficient numbers to proceed with the order, deposits will be refunded. Sample sizes are available in the House Centre during most lunchtimes.

MR E ION

ACADEMICS

ATTENTION SCHOOL LEAVERS

YEAR 11:

Students who complete Year 11 and do not return to school for Year 12 (at any school in Western Australia in 1992) may have the results of their Year 11 work certificated by completing a form and sending it, or taking it to the Secondary Education Authority.

YEAR 12:

Students who continue to Year 12 and withdraw before the end of the year are eligible to get their Year 11 results certificated by completing the same form.

These forms are available from Mrs Miller in the Curriculum Centre and are also available directly from the Secondary Education Authority, 27 Walters Drive, Herdsman Business Park, Osborne Park.

Students will receive their Certificate of Secondary Education in mid-February.

MRS D MILLER
Upper School Co-ordinator

BUSINESS EDUCATION

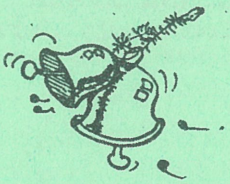

Phew!! The exams and testing are coming to an end. Results will reflect our efforts and I'm sure they will be justly deserved.

Congratulations to our top Year 12 Accounting student - Paul Arvino.

Rest time is upon us - do enjoy your Christmas and holiday season.

See you all next year.

LYNN FRANCIS
Business Education

YEAR 7 ORIENTATION DAYS

The buzz of excitement will be heard around the school during the first two weeks of December as Year 7 students visit and experience high school life.

Orientation days are given as a settling-in period for our up-and-coming Year 8's. They experience not only academic areas but the extra-curricular activities such as house sports, theatrical productions, etc. I'm sure they will enjoy their day.

LYNN FRANCIS
Lower School Co-ordinator

CHRISTMAS DRAMA

In celebration of Christmas the drama group, "The Edge", will present a Christmas production on 10th December. The group will perform for Year 8 students at lunchtime. Year 7 students attending that day will join Year 8's to see the drama also.

P WEBB
Chaplain

A CAT'S LIFE

HELLO my name is Elle,
Anything you need to know
ask me and I'll tell.
I reside at this school,
come check it out
and you'll find it's quite cool.
SWAN VIEW HIGH is the place to be,
just take a look in the office
and there you'll find me.
Somewhere on a chair is quite fine,
But the Principal's chair
is the one I call mine.
I sleep when it's light,
and guard the school
right through the night.
I have friends all around,
since the day I was found.
Life is great for a *CAT* at
SWAN VIEW HIGH

AARON TRINIDAD (F4)

ACADEMICS

1991 IN THE LIBRARY

I had mixed feelings when I was advised of my posting to Swan View Senior High School. I had spent the last three years in a small country district high school where I knew and taught every student at least once a week. Swan View was going to give me the opportunity of watching an automated Library system in action and of gradually becoming familiar with the technological age and a big city high school!

My arrival did not prove as traumatic as I had anticipated as I recognised a number of familiar faces. In ten years they had all grown taller but most had changed very little!

In the second week of school, however, I did seriously think about packing up and going back to York. It was then I found out that I was to be in charge and control of a technological Medusa which had been installed in the Library but which no one had been brave enough to turn on.

It is gratifying to come to this time of the year and be able to look back and realise that I have survived and that the Library is playing a vital role in the life of the school, providing resources of all types for staff and students.

This has been due in no small measure to the support and co-operation I have received from the Library staff and in particular Mrs Warwick. Without her, Social Studies and Science staff would never have found any videos and I would not have had the courage to persevere with our Medusa.

We are looking forward to 1991 with confidence and invite you - parents and students - to come in and take advantage of the resources available at Swan View Senior High School Library.

STUDENT ACTIVITIES

SUPER SNACK & SALAD DAY

As you are aware October and November have been the months promoting fruit and vegetables. The Home Economics department and Community School Nurse liaised and used this campaign to promote healthy lifestyles in a "Snack and Salad Day" on the 27th November.

This was a great success. Students and staff were invited for breakfast of cereals, fruit and milk.

Salad rolls were available at recess time. Students and staff purchased a bread roll at the canteen and had a choice of salads, smorgasbord style, to choose from.

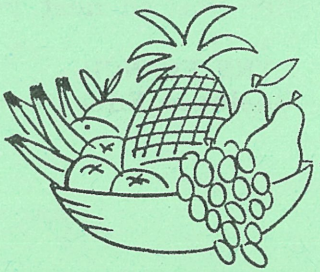

At lunchtime fruit kebabs were available and were such a success that we have had many requests to continue the service.

Our thanks go to the many people who donated produce and time.

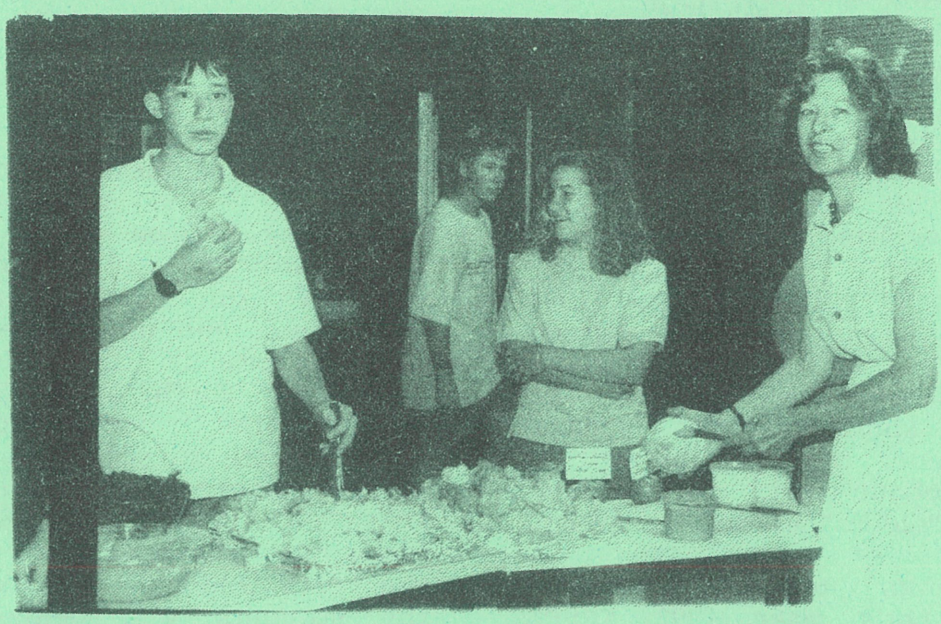

Swan View Foodland
Glen Forrest Supermarket
Sanitarium Products
Peters Dairy
Sunblest Dried Fruits
Health Promotions
Junction Midland Fresh Markets
Photography Department Swan View Senior High School.

Many thanks to the students in Home Economics who did such a great job preparing and serving the food and helping set up the displays. Also the canteen for their co-operation and help in making the day work well.

LYNNE EVANS
Community Nurse

SUPER SNACK & SALAD DAY - 27th NOVEMBER

Matthew sampling the salads - Christine, Brooke
and Mrs Gregg promoting healthy eating.

Melanie, Rebecca, Deanna and Nicole
all worked hard to prepare and serve at recess time.

STUDENT ACTIVITIES

ABORIGINAL STUDENT SUPPORT AND PARENT AWARENESS PROGRAMME

Swan View Senior High School has a committee to help support the aboriginal students and enhance the awareness of the parents of aboriginal students at this school. It is called the ASSPA committee.

This group is finalising its 1991 activities by having a bush camp on 10, 11 and 12 of December where several guest speakers, students and parents will share kangaroo, damper and sleep under the stars as well as learn more about their culture from some of the "elders" in the community.

Special thanks to all committee members. Let's make 1992 ASSPA activities have an impact on the educational achievements of the aboriginal students at Swan View Senior High School.

All aboriginal students and their parents are invited to an afternoon tea at the school at 2.30 pm, 11 February, 1992.

1992 YEAR 8 ORIENTATION CAMP

The 1991 Year 8 Orientation Camp will be held at Woodman's Point, South Coogee, where over the past few years some highly successful orientation camps have been held. 1992 should be no exception.

The camp has been designed to help your child to integrate into a new learning environment and make new friends, many from other primary feeder schools. The development of good working relationships with staff is another priority as students benefit from the sharing of the enrolment in various activities.

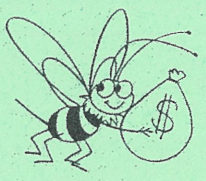

To facilitate the organisation of this camp, it is necessary to have a strong commitment from students and payment prior to the camp. The camp permission forms are available from the bookshop on January 20, 21 and 22 and are also issued when Year 7's visit the School in December. Parents are reminded that the permission forms have a bankcard/mastercard payment facility to accommodate the camp cost of $90. This covers the meals, accommodation, transport and consumables for the entire week.

FUN RUN

Congratulations Swan View!

You are one of the top fundraisers in the State. The sum forwarded to Perth City Mission Esprit Youth Day Awards was $3,354.12. So not only did you have fun but you also helped your school and have given hope and help to some of the underprivileged people of Perth. On Friday 6th December the house councillors went on behalf of the school to a reception in Perth where they met with the Lord Mayor of Perth, The Minister for Community Services and members of the Perth Wildcats. Thank you to all the students who helped to raise funds for this project.

W D ROESTENBURG
Youth Education Officer

PARRY HOUSE AND THE LIONS' CLUB

On Friday, 29th November, a group of Year 8 students travelled from Swan View Senior High School to Parry House to provide some entertainment for the elderly people. The Lions Club "organized" the evening and our students (Jacquie Ashworth, Jodie Falconbridge, Marie Erceg, Danny Bearham, David Bush, Bradley Heald, Melissa Foster and Nicole Bramley) together with seven parents provided light entertainment that was very well received.

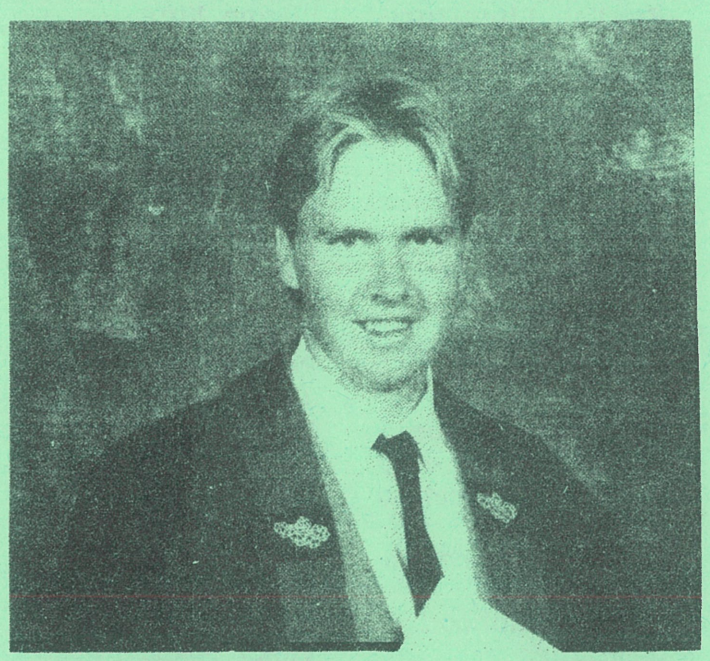

Some of our choristers gave a whole new meaning to "Rudolph, the Red Nosed Reindeer".

Many of the residents were extremely grateful for the youthful enthusiasm and cool reactions under pressure when suddenly one of the plays was set to music.

Mr Cawley is proud of all the students and grateful for the effort they put in.

SPOTLIGHT

REX LILLEYMAN was born in Perth on the 14th February 1964. Rex and his brother Graham are identical twins. Isn't that incredible? - another Lilleyman almost exactly the same! The Lilleyman twins were adopted at two weeks and were reared in Bedford attending Hillcrest Primary School.

Rex described himself as a tall, quiet child. "I was brilliant; incredibly smart as a kid." Rex was probably seen to be so tall because he spent three years in Grade 2. Only joking!!! Rex began High School at John Forrest. He was fortunate enough to be in the same year at school as Lisa Harrison. As a teenager Rex described himself as "still pretty quiet, athletic, still tall and becoming more attractive to women."

Rex graduated in 1981 and began a Bachelor of Education majoring in History and Politics at Curtin University. At the end of Rex's first year he met and fell in love with a beautiful lady named Denise. They met while Rex was working part-time in the same Department store. Rex overwhelmed her with his charm and sensitive nature.

In the second year of his degree, Rex and his twin brother Graham visited America for three months. They travelled to places such as Hawaii, Los Angeles, Washington, Maryland and got waylaid in South Bronx, New York.

When Rex came back from America he completed his degree and was posted to Kalgoorlie. In March that year Rex asked Denise to marry him and the following January they were married in Perth.

"Kalgoorlie is a tough place and three years is almost as much as a teacher can take at Eastern Goldfields." Rex had his first taste of House leadership in Kalgoorlie. When asked about his social life in the country Rex says "I was the number one volleyball player in Kal." Perhaps that is because he was the only person in town over 8 feet tall.

In 1989 Rex Lilleyman transferred to Perth and began teaching at Swan View Senior High. By this time his first daughter Kirsty was born. Since then Rex and Denise have given birth to a second beautiful daughter, Nikki, who is now five months old.

Rex has certainly had an input on the school. He has just been selected as Canning House Leader and will next year become the Year 12 Co-ordinator. Rex Lilleyman has an extraordinary sense of humour and manages to stay on the ball at all times. A mean and brutally talented table tennis player, Rex is as much a part of school life as form room and time-out. This respected and highly talented man will hopefully remain in the school for a long time. Good Luck with the new job Rex.

YEAR 12 AWARDS CEREMONY

The hall was decked out immaculately for the Awards Ceremony on 27th November. The Deputy Principals Ms Turner and Mr Candeloro led in the procession of special guests and senior staff, all resplendent in their academic robes and colours and then the Principal, Mr Melville led in the Year 12 students, all looking very polished for the occasion. Special guests included Dr Mossenson, Chairman of the Secondary Education Authority, the Hon Peter Foss, MLC., Cr John Ellery - Shire of Mundaring, Cr Matt Hughes - Shire of Swan, Mr Ray Hansen - District Superintendent, Mr John Pavy - President of the P & C and Mr R Coney - Swan Districts Lions Club.

The Programme included some excellent musical items and speeches by Mr Melville and Dr Mossenson. Each Year 12 student was presented with a graduation certificate and top students in each subject were presented with prizes. Special awards were given to students who had excelled in various aspects of school life, culminating in the Dux award to Rueben Taylor.

Melissa Cox - Head Girl for 1992, wished the graduating students well for the future and Head Boy, Adam Timms replied on behalf of the graduates. Supper was served in the P.A.T. allowing students parents and staff to mix and study the Year 12 Year Book which was just released.

Overall it was an excellent night in which all concerned set a high standard. We have established a fine tradition which is being enhanced year by year. This years' Year 12 students have made a positive contribution to that tradition.

SUBJECT AWARDS

English	Megan Fraser

PRINCIPAL'S ADDRESS

YEAR 12 GRADUATION

Dr Mossenson, distinguished guests, ladies and gentlemen and Year 12 graduands of Swan View Senior High School, I am particularly pleased that Dr Mossenson agreed to be our guest speaker this evening.

I should like to pay tribute to a number of people who have assisted me in many ways throughout the year. Mrs Webster for her enthusiasm and support during the year and her confidence in my ability to take over the role of Principal on her retirement. In many ways this evening is a tribute to her. As I have said at another time, she brought a breath of fresh air into our school and that her success at Swan View was due to the fact that she did the common things of life uncommonly well. Barbara, on behalf of the staff and students, thank you for your inspiration, patience and wonderful sense of humour.

Ms Rodway is a most able member of the executive team and one who puts the welfare of students high on her list of priorities.

Mr Candeloro and Ms Turner have supported me in my attempts not only to keep the ship afloat, but to trim the sails and to keep me on course.

Special thanks must go to Mr Ion who has given guidance and direction to Year 12 students throughout the year. I have met few people who are so dedicated and determined in achieving their objectives. Mr Ion has been the inspiration behind the organisation for this evening and I would like to thank him publicly for his work throughout the year.

Ms Vassiliou has worked tirelessly to produce the Year 12 Year-book. She has, I think, produced something which I am sure Year 12 students will cherish in the years ahead.

Mr Ellery works tirelessly to co-ordinate the activities of the House Centre. He works with Ms Harrison, Mrs Webb and Mrs Cousins to produce the monthly newsletter. The popularity of the newsletter is evident by the number of students who absent themselves from class in order to obtain a copy in advance of its normal distribution.

The staff have worked hard during the year, to ensure that not only our Year 12 students, but all students have worked as well as possible. While we may not succeed with all students, the staff will continue to work with the most difficult students, so that they have the best possible chance after they leave school.

There are many people who work behind the scenes in schools who get very little public recognition. Obviously, I cannot mention them all by name. On this occasion, I should like to thank our two gardeners, Mr Ron McNaughton, and Mr Mark Eversden for their efforts in developing the school grounds.

Apart from our Registrar, Mr Watt, who keeps the business side of the school in excellent shape, our head Clerical Assistant, Mrs Hrabar, maintains daily routines of the office most efficiently. She heads a very able team of assistants and I am most grateful for their dedication and loyalty.

Our academic, cultural and sporting achievements over the last twelve

months have been substantial. Last year's Tertiary Entrance Examination results showed the breadth and depth of talent which passes through our doors. We have collated for you a summary of these achievements. I am well aware of the importance of the triumvirate of achievement in this school and I thank all those staff who put so much effort into developing the talents of our students. More importantly, the students must be congratulated for their results, which are a credit to themselves, their parents, the school, and the wider community.

I have noted with interest that while the Ministry of Education insists that parents be involved in school decision making, that the number of parents who attended P & C meetings is minimal. I should not like it to be thought that this in any way deprecates the work of the stalwarts on our P & C who regularly attend its meetings and contribute to various school committees. During this year some $14,000 has been spent by the P & C in developing the Canteen Quadrangle. This is a tremendous effort which was initiated by Mrs Webster and eagerly contributed to by the P & C under its very able President, Mr John Pavy. When I consider the amount of expertise among the parent body, I wonder why we do not have more input in the form of advice and assistance.

Each year many students leave this school and virtually vanish without trace. From time to time we are able to report on their activities but as the years go by the memory of many of them fades. We have decided to attempt to rectify this by inviting this year's Year 12 students to become the inaugural members of an Ex-Students' Association.

I would like to thank the Year 12's for the way in which they conducted themselves on their last formal day at school. Their final assembly was a mixture of dignity and light-heartedness as befitted the occasion. The guard of honour formed by the student body was well received and the breakfast, the following morning, at Sorrento Quay was an unqualified success.

In my address to Year 12 students at their final assembly, I made mention of some of the difficulties which Year 12's will face. At this point I would like to reiterate one of these briefly. With regard to the difficulties relating to employment, I made the following comments:

"We all know that employment is difficult to obtain at the present time. Some of you will proceed to tertiary institutions, others to TAFE and some to employment. It is important for you to be objective. Of course it will not be easy, it never really has been, and probably never will be easy to obtain employment. While it is important to be as competitive as possible, it is also important to maintain a sense of purpose in life. Do not give up, make every post a winning post".

In the years ahead I hope that you will reflect on your life at Swan View with pride and affection. In your own way you have all made a contribution to our school. Whatever you do, be honest with yourself - be guided by your conscience and you cannot go far wrong.

On behalf of your school I wish you every success and happiness in whatever the future holds for you.

IAN MELVILLE
Acting Principal

HOUSE COUNCIL 1992

The House Council elections have been held and the following results are announced.

1992 Head Boy - Shaun Lovelock
1992 Head Girl - Melissa Cox

1992 House Councillors:

CANNING

Year 12	Alison Walther	C5 Captain
	Brett Jefferies	C5 Captain
Year 11	Kerry Donovan	C4
	Claire Hogg	C2
Year 10	Melissa Pumphrey	C6
	Richard Moore	C3
Year 9	Michelle Gorczynski	C5
	Paul Hodder	C5

EYRE

Year 12	Melissa Cox	E8 Captain
	Ben Jordan	E8 Captain
Year 11	Jodie Spence	E1
	Bradley Kingston	E1
Year 10	Karen Miller	E8
	Leigh Kuze	E2
Year 9	Tracey Clark	E6
	Travis Gale	E8

FORREST

Year 12	Elena Procopio	F3 Captain
	Robert Daniele	F2 Captain
Year 11	Stephanie Duff	F2
	Adrian Cain	F5
Year 10	Joanne Miles	F3
	Davin Jones	F4
Year 9	Hannah Struckman	F8
	Bradley Conway	F2

GILES

Year 12	Janet Hillan	G5 Captain
	Shaun Lovelock	G2 Captain
Year 11	Amanda Ball	G3
	David McKibbin	G1
Year 10	Karen Paterson	G2
	Daniel Fitzgerald	G2
Year 9	Donna Burns	G1
	Michael Burgess	G3

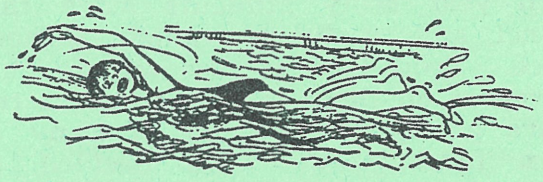

Congratulations to those students and thanks to all those who nominated. There was indeed a quality field of candidates. Year 8 Councillors will be elected after their camp in first term 1992. The new Councillors are having a leadership training day on Friday 6th December and they will have a House Council camp in first term next year. We look forward to a very successful student programme next year.

JOHN ELLERY
House Co-ordinator

STUDENT ACHIEVEMENTS

CONGRATULATIONS

IN THE SWIM

BEN JORDAN (8E) and PAUL NAYLER (4C) will be swimming for Australia in the Pacific Games in April next year. There will be 22 countries competing so they will obviously be training hard between now and then.

GEMMA HERRINGTON (3G) and VIKKI RHODES (3C) will be aiming for the National Championships in South Australia next year.

CRAFTSMANSHIP AWARDS 1991

Swan View Senior High School Manual Arts students have again achieved excellent results at the annual Craftsmanship Awards.

A total of seventy entries were completed this year from a range of manual arts subjects. The high standard of work which our students achieve is confirmed by the following eight students who won awards for best entry in a subject area;

STEVEN BROOKS Yr 12
Computer Drafting

JIMMY BARILE Yr 11
and
ANDREW MCLAREN Yr 11
Jewellery - Tied First Place

GRAEME JORDAN Yr 10
Stage 6 - Technical Drawing

ROSLYN LEONARD Yr 10
Freeform

JUSTIN HUGO Yr 10
Stage 4 - Woodwork

GRANT WHEELER Yr 9
Stage 4 - Computer Drafting

KELLY HEWER Yr 8
Stage 1 - Woodwork

Congratulations to those winning students and to all the other students who presented excellent entries.

KELLY HEWER (Yr 8) also won the Peter Miller Encouragement Award, and Swan View Senior High School won the award for most outstanding entries.

HOUSE NEWS

Two mini-carnivals have been held this term, one for Year 10 and one for Year 8. Students played rounds of softball, basketball, netball and volleyball. A large percentage of the students participated and some excellent games ensued. Umpiring was done by student "experts" and they maintained a high standard. The final house points for each carnival were:

Year 10: Eyre 20, Giles 18, Canning 9 and Forrest 6.

Year 8: Forrest 20, Canning 16, Eyre 13 and Giles 3.

Year 9 had their mini carnival in first term. We hope to have more of these carnivals next year.

The Year 8 lunchtime soccer competition this term has been fast and furious. So far Eyre seems to be the dominant team but finals will be played next week. The basketball "shootout" was a new competition and many prospective Mustangs and Wildcats enjoyed the opportunity to display their skills in this rapid fire test.

House points at the end of week 7 were:
Canning 73, Eyre 108, Forrest 83, Giles 74.

House leaders have been chosen for next year and these are the proposed positions:

House Co-ordinator:	Mr Ellery
Canning Leader:	Mr Lilleyman
Eyre Leader:	Mr Skipworth
Forrest Leader:	Ms Vassiliou
Giles Leader:	Ms Lee
Year 12 Co-ordinator:	Mr Lilleyman

Best wishes for a Happy Christmas and enjoyable holiday.

J ELLERY
House Co-ordinator

STAFF ACTIVITIES

THE GOVO MARATHON

Having enthused over student achievements all year, its high time the staff came in for some recognition for their prowess. On Friday 21st November the staff entered three teams for the annual "Govo Marathon" which was swum, run, paddled and cycled over an arduous course near Governor Stirling Senior High School. Swan View had 2 open teams and one women's team made up as follows:

	Team 11	Team 32	Team 33
Swim (500m)	Miss J Nicholas	Mr R Scott	Mr R Pitcher
Run (4km)	Miss T Lee	Mr W Beckwith	Mr R Pisano
Canoe (2.5km)	(Mrs P Hrabar	Mr R Lilleyman	Mr A Smith
	(Mrs L Evans	Mr L Horner	Mr J Ellery
Cycle (6.8km)	Ms B Vassiliou	Mr S Maguire	Mr T Ion

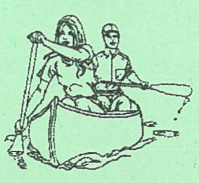

Our swimmers were outstanding, giving an excellent start to all teams. The other outstanding surprise was when the old men in Canoe 33 made up 8 places in very good time. Of over 60 teams including such outstanding athletes as Sue Malaxos our open teams finished tenth and thirteenth. Competitors finished off the day with well-earned refreshments by the river. Thanks to the team manager Ms L Harrison and the supporters. We're all looking forward to next year.

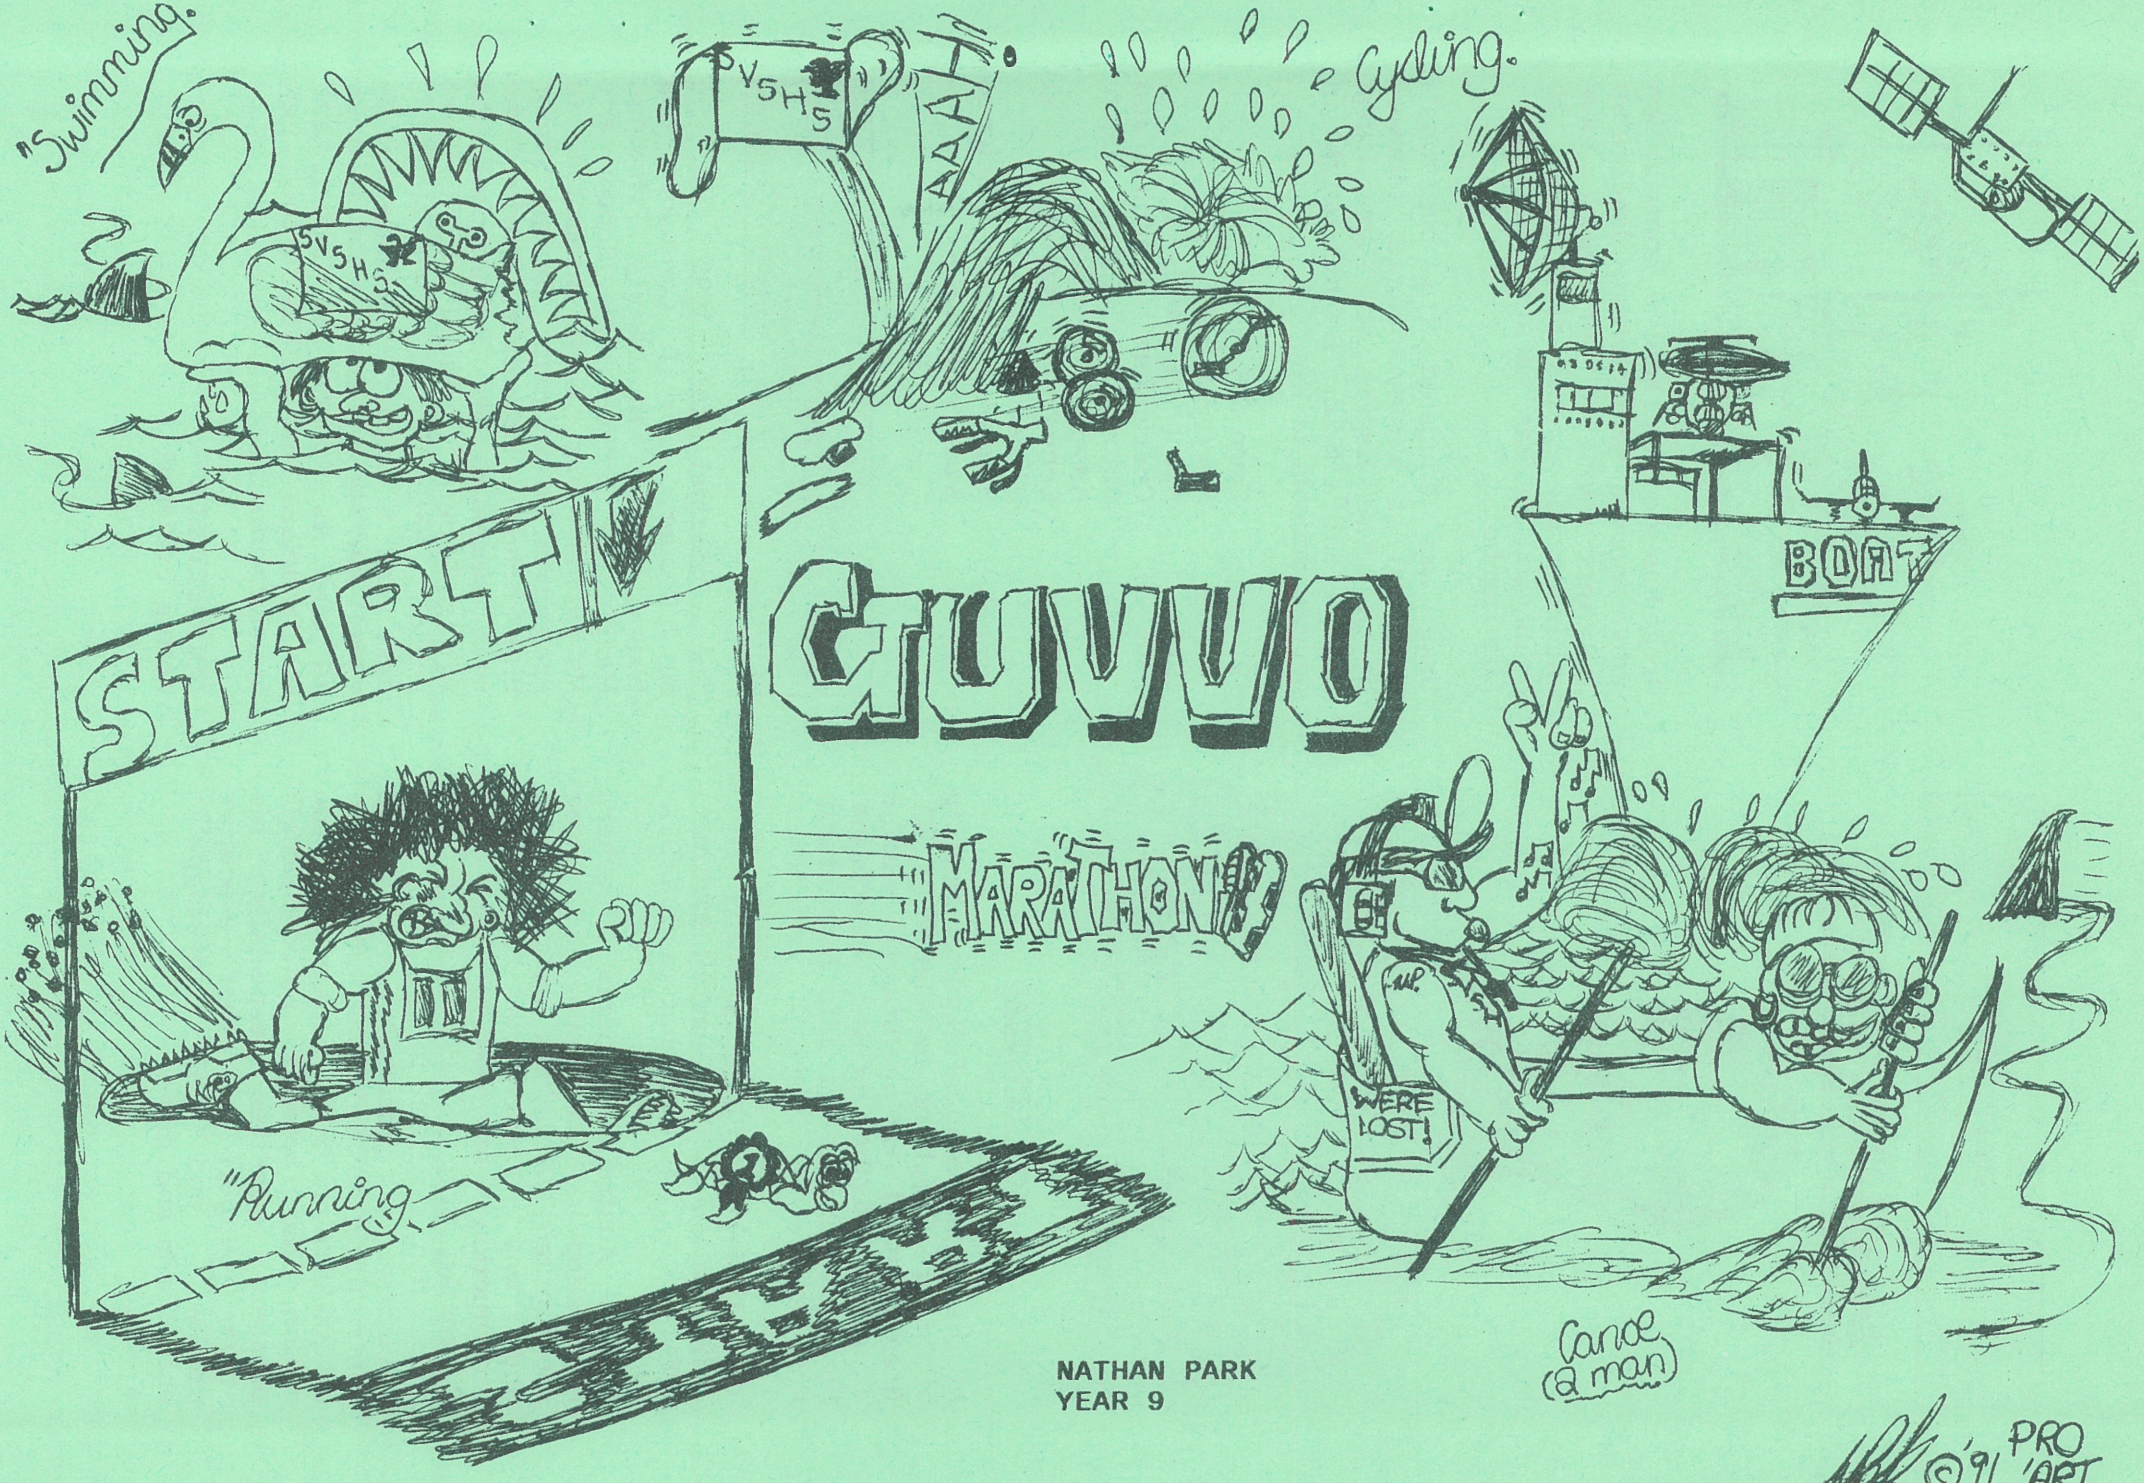

Back Row
Left-Right Mr T Ion, Miss J Nicholas, Mr S Maguire, Mr R Pisano, Mr R Scott, Mr R Lilleyman, Mr A Smith.

Front Row
Left-Right Miss T Lee, Mrs P Hrabar, Mrs L Evans, Ms B Vassiliou, Ms L Harrison, Mr J Ellery, Mr R Pitcher

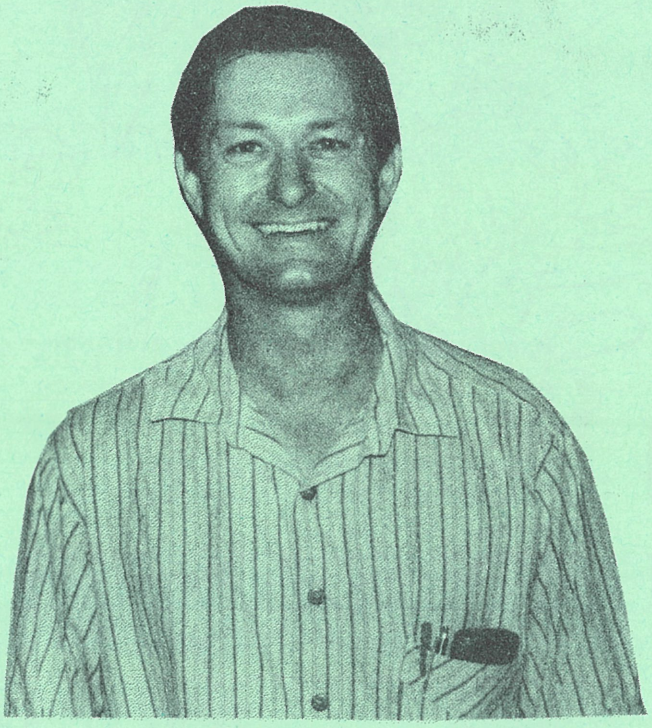

NATHAN PARK

STAFF NEWS

NEW LIFE MEMBER OF SCIENCE TEACHERS ASSOCIATION OF W.A.

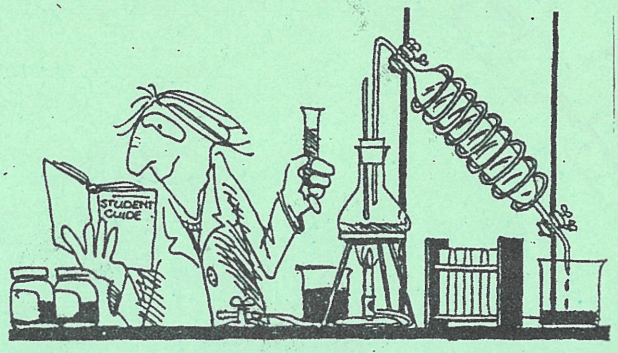

GREG LINSTEAD

At the recent Annual General Meeting of Science Teachers Association of WA, Greg Linstead was unanimously elected as a Life Member of the Association. His qualifications for Life Membership are:

1981, 1985-1990	Editor of SCIOS
1982-1984	President of STAWA
1984	Convenor of CONASTA

As an Australian Science Teachers Association counsellor, Greg represented WA at the national level and was responsible for the introduction of AWISW in WA. Currently, Greg is still active in the association, involved in the SCIOS and Publicity subcommittees and contributing towards the organisation of CONASTA in 1992. In seconding the motion, Nic Sofoulis noted Greg's personal qualities, especially his strong support of other executive members and his unstoppable enthusiasm and drive.

Greg has demonstrated a contribution above normal expectation, leadership and innovation, all of which have enhanced the status of STAWA. In doing so, he has earned the title - Life Member.

Greg was educated (to everyone's surprise) at Wesley College, followed by a UWA degree in Agricultural Science and a B.Ed. He has taught in several schools in WA.

1973-74	Como S.H.S.
1975-76	Merredin S.H.S.
1977	Kelmscott S.H.S.
1978, 79	Curriculum branch and District High School Advisory Teacher
1980-89	Senior Master at Mirrabooka S.H.S.
1990-91	Senior Teacher Science Swan View S.H.S.

EXECUTIVE MOVEMENTS

The Principal for 1992 will be Mr J Cooper. Mr D Candeloro has been promoted to Deputy Principal, Maddington Senior High School and Ms Turner has been promoted to Programme Co-ordinator, Craigie Senior High School. However, during the first semester Ms Turner will be Acting Deputy Principal at her new school. Returning to their old jobs next year as Deputy Principals will be myself and Ms S Rodway. I'm sure we all wish Ms Turner, Mr Cooper, and Mr Candeloro best wishes in their new appointments.

IAN MELVILLE
Acting Principal

YEAR 12 DINNER

Well what should we call the night, a celebration because the 12's were leaving or a wake because they were leaving? Since there were no tears and only happy faces, I suppose it must have been a celebration. Yes, definitely a celebration!

This was the first Year 12 Dinner so it was the start of another new tradition. And what a great start. With Mulberry Farm as the venue and practically all of the 12's present, the night look set to be the time to let off a bit of steam and have some fun.

After a pleasant buffet dinner and chatter, it was time to get stuck into the real purpose of the evening; present the *REAL YEAR 12 AWARDS.* The graduation Night the previous night was in fact just a practice session for the real thing.

Staff members one by one dragged out all those embarrassing moments, peculiar habits, slip ups, mistakes and disgusting behaviour that the 12's had forgotten about or had tried to bury. Olivier Collet's (Cool Man) nocturnal habits, Sophie Strohmeier's obsession with Picasso's ear, Kerry Baker's sweaty palm, Mr Coultas's recollections of Paul Parks' behaviour during ablutions, Yvette Gorczynski's nose during exams, Mark Schaschke and his record 3 minutes and 37 seconds of continuous biro sucking to mention only a fool or three.

Mind you, the students did have the last word (eventually). A brilliant sketch written by Adam Timms, Natalie Hoover, Michelle Percival, Wendy Longworth, David Healy, along with Ms Duddy and Ms Hobson took the big stick to many of the staff. Very few escaped unscathed, but it certainly provided a heap of laughs for everyone.

And so we farewelled the 12's from their last official contact with the school. Sadness mixed with joy for having had the privilege of working with and knowing a fine group of people.

MR E ION
Year 12 Co-ordinator

EXCHANGE STUDENT

Hi! I'm Stefanie Krumme, a German exchange student attending Duncraig Senior High school.

I'm looking for someone who is interested in hosting my younger sister, Michaela. She will be 16 years old next year. Michaela would like to visit Australia for a period of 6 to 12 months in 1992. Then for the host student to complete the exchange by travelling to our home, near Hamburg, whenever suitable. If more convenient, my sister could pay for food etc and the return trip would not be necessary. If you have any queries, please ring me on 448 2058 before 14 December or write to Michaela Krumme, Rotdornweg 34, W2085 QUICKBORN, GERMANY.

SWAN VIEW SENIOR HIGH SCHOOL
EX STUDENTS ASSOCIATION

Congratulations on being the group of students to have the opportunity to be inaugural members of the Ex Students Association.

The aims of this Association are

To provide a vehicle for students to maintain contact with each other over the coming years.

To assist the school in maintaining contact with ex students.

To foster continuing cooperation between the school and ex students.

To provide the means by which ex students can be brought back into the school to act as speakers or assist in school programmes.

It is intended that a membership fee of $5 will be charged and this will cover the following.

Mailing of school newsletter.
Invitation to ex students functions

We therefore invite you to join now by returning this form with your membership fee. If you decide at some future time that you would like to join then contact the school and they will be only too willing to assist.
