

Swan View
SENIOR HIGH SCHOOL

# 2023 Year Book

## Acknowledgement of Country

We acknowledge the Whadjuk Noongar people and we pay respect to the past, present and future Traditional Custodians and Elders of this nation and the continuation of cultural, spiritual and educational practices of Aboriginal and Torres Strait Islander peoples.

Whadjuk Ancestors have walked this country and we acknowledge their special and unique place in our nation's historical, cultural and linguistic identity.

# Principal's MESSAGE

As we reflect on the remarkable year that was 2023, it is with great pride and admiration that I write this message for our Year Book. This year has been a testament to the resilience, determination, and growth of our students, staff, and entire school community.

In every corner of our School, we have witnessed personal achievements, collaborative efforts, and moments of joy. Our students have faced challenges with courage and perseverance, whether in the classroom, on the sporting field, or through the creative expression of the arts. It has been inspiring to watch them push boundaries, explore new interests, and develop as leaders in their own right.

This year has also been one of connection and unity. Despite the world continuing to change around us, we have remained a strong and supportive community—where every student has the opportunity to thrive, not only academically but also personally and socially. It is through this sense of belonging that we are able to achieve the best versions of ourselves.

To our Year 12 Class of 2023, this year marks the culmination of your time at Swan View Senior High School. I am so proud of what you have achieved and the resilience you have shown in preparing for your next chapter. I have no doubt that you will continue to go on to do amazing things, and I look forward to seeing where your journeys take you.

As we close this chapter, I would like to extend my heartfelt thanks to our dedicated staff, whose commitment to excellence has shaped this school year. Your passion, care, and unwavering support for our students are the cornerstones of Swan View's success.

To our parents/caregivers, thank you for your continuous partnership. Your involvement and support have been invaluable in helping our students achieve their potential.

At the end of 2023, the Swan View Senior High School community marked the closure of our Parents and Citizens (P&C) Association after being re-established three years ago. This decision, while bittersweet, comes after countless hours of hard work, collaboration, and support from parents/caregivers, staff, and community members. In the past, the original P&C played an instrumental role in enhancing the school experience for our students, whether through fundraising initiatives, volunteer efforts, or providing valuable input on school matters.

I would like to publicly thank the members of our School Board. Our School Board, chaired by Cr Karen Beale, have performed exceptionally throughout the year. I am very grateful of the support given by the various Board members and thank them for their energy for our School.

Finally, to every student who has contributed to making this year memorable, your hard work, enthusiasm, and determination have left a lasting mark on this School. Each of you has made a difference.

I am incredibly proud to be part of this school community. As we look forward to the future, let us continue to inspire, challenge, and support one another in the pursuit of excellence and personal growth.

Wishing you all continued success and fulfillment in everything that lies ahead.

# School Board

## CHAIRPERSON

Welcome to the 2023 Year Book.

On behalf of the School Board, I would like to congratulate the Graduates on completing 14 years of education, six of those at Swan View Senior High School. We are extremely proud of you and wish you well on whatever path you choose. Always remember your time spent at our school with pride.

This year we officially opened the Maali Kadaadjiny Centre with a visit from the Hon. Dr Tony Buti MLA, Minister for Education. It was a wonderful morning with the Clontarf, Stars Foundation and Follow the Dream students all displaying exemplary behaviour to impress Minister Buti as well as the Hon. Michelle Roberts MLA, Member for Midland and the Speaker of the Legislative Assembly and Matthew Hughes MLA, Member for Kalamunda. The success of this new Centre is a credit to the whole school.

To Dr Sekulla and his team of educators, administrators and other staff, thank you for your continued dedication to our school and unwavering support for all students. It is always a pleasure attending the school to see well kept facilities and happy students.

Thank you to my fellow Board members for their commitment to Swan View Senior High School. Special thanks go to outgoing Deputy Board Chair Ms Kendall Earnshaw who leaves our Board after six years of outstanding service. To Mrs Christine Davey who walks the fine line of parent, staff member and School Board member, your kindness, friendly face and devotion to our children is a blessing. Thank you to Mr Richard Kaub for your constant contribution, knowledge and asking the tough questions.

Finally, to the parents and caregivers of Swan View Senior High School, whether like me your youngest is finishing school or you have just started your time at our school, well done on the monumental task of raising good citizens. Always remember you get what you give, spend time getting to know the teachers and staff and stay in touch.

Best wishes for 2024.

***Cr Karen Beale***

# Year 12 Graduation

The Year 12 Graduation Ceremony took place on 23 November 2023 at The Crown Resort in Burswood, with approximately 350 guests in attendance to celebrate the achievements of 62 Year 12 students as they completed their secondary schooling.

The formal nature of the event, coupled with the elegant setting, underscored the significance of the evening. It was a moment of great pride for the students, their families, and the broader school community. As the graduates donned their gowns and school sashes, the atmosphere was filled with a sense of accomplishment and pride.

Ms Bateman and Ms Beaumont, the Directors of Proceedings, warmly welcomed students, staff, families, and guests to the Ceremony.

The keynote address was delivered by former student Ms Sheena Trigg, who grew up in Koongamia near Midland. Sheena attended Clayton View Primary School and Swan View Senior High School, graduating in the class of 2011. She later completed a double degree with honours at Murdoch University, majoring in Chemistry, Molecular Biology, Forensic Biology, and Toxicology.

Currently, Sheena serves as the acting Team Leader of the Illicit Drug Team at ChemCentre. Her primary role as a Chemist and Research Officer involves working in the Forensic Science Laboratory and collaborating with the Western Australia Police Force on clandestine laboratory crime scene investigations. Sheena has also published research and won an award for her article in Drug Testing and Analysis.

Outside of her professional life, Sheena is a mother of two young children, which keeps her life busy and teaches her to be flexible. In her spare time, she enjoys painting, macrame, gardening, and baseball.

The Ceremony concluded with the Charge to Graduating Students by the Head Boy and Head Girl, the Presentation of Graduation Folders by Dr Sekulla, a Blessing by the School Chaplain, Mr Ramirez, and the Retiring Procession.

Special thanks and acknowledgements go to the Graduation Ceremony Coordinators, Mrs Bradley, and Ms Haese (Marketing and Media Office), as well as the prize donors, Swan View Senior High School Board, School Executive Team, Senior Leadership Team, Year 11 Student Representative Councillors, school staff, and Swan View partners.

***Dr George Sekulla***

# Deputy Principal

## TEACHING AND LEARNING

As the Deputy Principal - Teaching and Learning, I am supported by the Heads of Learning Areas and Teachers in Charge.

In 2023, the following staff held these roles in the school:
Head of Learning Areas

- The Arts – Ms Kate Rogers
- Health and Physical Education – Mr Steven Bezant
- Humanities – Mrs Tammi Bouffler
- Mathematics – Mrs Justine McCann
- Technologies – Mr John Vidler

Teachers' in Charge

- Humanities and Social Sciences – Mr Robert Vernon
- Science – Ms Michaela Perry

Curriculum is enhanced when there are opportunities to engage in activities and experiences. Our teachers and education assistants are constantly looking for ways to improve engagement though differentiation, incursions, excursions, guest speakers and activities. During a school day, students are exposed to 320 minutes of class time, 1600 minutes in an average school week, 15 260 minutes in an average school Term to total an average of 61 440 minutes in one year. It is no wonder that the following pages are filled with a such a variety of educational learning experiences. Take your time to read the Learning Area pages and reminisce on the year that was.

As Sidney Hook, an American educator and social philosopher once said, "Everyone who remembers his education remembers teachers, not methods and techniques. The Teacher is the heart of the educational system".

I was very fortunate this year to get back into the classroom, and truly loved every minute of it. The great thing about teaching is the relationships you build with your students and how you can instil your love for a subject in the students you teach. For me, it was a reminder of why I have dedicated my career to education. The rewards are endless.

***Mrs Helen Hawley***

# Deputy Principal
## STUDENT SERVICES

The Student Services Team are here to support students and families and pastoral care is an important element of what we do. Student Services is comprised of a Lower School (Years 7-9) and Upper School (Years 10-12) team. These teams consist of a Program Coordinator and Student Support Officers. Other members of the Student Services Team in 2023 included:

- School Chaplain – Mr Jon-Jon Rameriz
- School Psychologist – Mr Mitchell Powell
- Community Health Nurse – Mrs Lyndsay Gannaway
- Learning Support Coordinator – Mrs Brooke Scolt
- Student Support Coordinator – Engagement – Mrs Emily Goerke
- School Officers – Ms Danielle Haese, Ms Nicola Hoglin, Mrs Christine Davey, Mrs Brooke Exell and Mrs Nicki Malynn.

This large Department is overseen by the Deputy Principal – Student Services and is charged with working across the entire school to support students, working with parents/carers, teachers, and external agencies.

Providing opportunities for student leadership and student voice is an important part of Student Services. Student Representative Councillors are elected by their peers to represent their year group. They attend many courses and events throughout the year to provide opportunities to develop and expand their leadership skills and experiences.

As part of its pastoral care and student expectation responsibilities, Student Services organises many, events through the year. These events are aimed at rewarding students who consistently meet the schools Positive Behaviour Support values of DARE. At Swan View Senior High School, we DARE to be Diligent, Accountable, Respectful and Extraordinary. We also organise events for point of need and to raise awareness for areas of identified need.

Student Services organised the following in 2023:

- National Day of Action against Bullying and Violence
- R U OK Day
- 90% and over Attendance Awards and Events
- Good Standing and Attendance Reward excursions
- Year Group Assemblies with Acknowledgement Awards
- Year 7–10 reward excursion to Outback Splash
- Year 11-12 River Cruise
- Year 12 Ball and Leavers activities
- Guest Presenters

Some of the services that are organised and provided by Student Services include:

• Year 6 to Year 7 Transition events
• Immunisations
• Awareness days, such as Jeans for Genes day and Funky Sock Friday
• Year 7 and new student family Meet and Greet BBQ
• Breakfast Club
• Yarning Circle
• Elevate Study Skills
• Peer Support
• Swan Elevate Leadership program
• Uniform loans

We collaborate with many outside agencies and organisations to enhance the opportunities and services for students. Swan City Youth Services, Swan Districts Football Club, Westrac, Caterpillar, Shire of Mundaring, Headspace, Cadets WA, Curtin University and the Motivation Foundation are just a few of the organisations that provide services to the students at our School. They add to the extensive wrap around support provided by the dedicated and experienced Student Services Team.

# Deputy Principal
## INCLUSIVE EDUCATION

Our school deeply embraces and celebrates the inclusion of students with disabilities. Staff honour the unique learning styles for all students and are dedicated to cultivating an environment where every student can learn, grow, and achieve both in the classroom and throughout he school community. Education Assistants work closely with teachers to foster and sustain a supportive and inclusive environment.

The Social Club, coordinated by Ms Hayley Forrest, has thrived under her management. Held during break times specifically for students with special needs, Ms Forrest arranges a diverse array of activities throughout the week, including soccer, football and arts and crafts. Situated alongside and behind Room 3.3, this area is closely supervised by Education Assistants who collectively support students in fostering positive social interactions with their peers. Students are encouraged to join freely and participate at their convenience.

This year we introduced a secondary Triage (support system) for students with a disability. Operating alongside our primary Student Services Triage, this dedicated space allows students to attend when they are removed from class, need support to regulate, or seek assistance and advice. Students also utilise this area to collect timetables, managed their needs when unwell or injured and occasionally to complete assignments. Led by Mrs Corinne Henry and Mrs Brooke Scolt, this initiative has swiftly become a valuable addition to our school community, greatly benefiting our students.

# Official Opening of the MAALI KAADADJINY CENTRE

The Maali Kaadadjiny Centre (Swan Learning Centre) was officially opened by the Hon. Dr Tony Buti MLA, Minister for Education on 21 July 2023. The ceremony was well attended - 52 guests. The MCs for the event were Aaliyah May and Billy Randall-Goddard. Both students carried out their roles brilliantly and were wonderful ambassadors for our School. Thank you to Mr Patrick Egan for his amazing Welcome to Country and organising the Smoking Ceremony.

# Programs

# Education Support Centre

Inaugurated in 2018, 2023 marks the inaugural year of having Year 12 students in the Education Support Centre. The students were honoured with the Ball and Graduation Ceremony to commemorate and recognise their personal, social and educational achievements. Each event was an exciting moment embraced by students, families and staff alike. For some families, this represented a significant milestone as it marked the first time a family member reached Year 12, creating deeply emotional and proud memories.

The move from Primary School to High School marks a significant milestone in a student's educational journey. It involves establishing connections and addressing the diverse needs of transitioning students. As part of our annual three-day Transition Program, we designated the third day as a Meet & Greet. During this event, we arranged for new and current teachers and Education Assistants for the year 2024 to spend the day in their assigned classrooms with students. This initiative was implemented across the entire campus and for all year levels. The primary goal was to familiarise students with their upcoming academic year while also providing teachers with insights into their students' current knowledge and skills. This information will help educators tailor their teaching approaches to further enhance student learning in the coming year. The day was a resounding success, captured through numerous photographs commemorating the event.

Our annual three day Camp took place at Point Peron, where students engaged in team sports and collaborative challenges to foster new friendships and strengthen existing bonds. Activities included a lively fancy dress quiz night, fishing, and photo bingo, offering students diverse opportunities to explore problem-solving strategies while encouraging responsible decision-making. For many, this camp marked their first overnight stay, paving the way for future extended adventures.

In Term 4, students in Years 9, 10, and 11, along with their families, gathered in the library for a pizza night. The event aimed to explore four crucial aspects of life post-Year 12:

- Financial preparation for employment
- Community engagement through volunteering
- Social activities for leisure with family and friends
- Developing life skills for independence

During the evening, participants engaged in group discussions to identify preferences, strengths, areas for improvement, and obstacles related to each category. This collective effort provided valuable insights into students' aspirations and expectations for their future. The outcomes of these discussions will form the basis of students' Individual Transition Plans (ITPs) for the year 2024. The event was highly successful in gathering essential information and fostering collaborative planning for students' next steps.

In November, Mrs Bowell, Deputy Principal, and Ms Ezard, ASDAN Coordinator, participated in the External ASDAN Moderation. This event ensures that students' portfolios meet all requirements for accreditation in their respective ASDAN courses. Successful portfolios earn students internationally recognised certificates. The creation of these portfolios involved substantial effort from students and their support staff, documenting their completion of various challenges aimed at enhancing personal and social capabilities.

These certificates hold significant value for employers globally. We are delighted to announce the achievement of ASDAN certificates by the following students this year

| New Horizons Gold Certificate | Key Steps Certificate 1 and Certificate 2 | Towards Independence: Independent Living |
|---|---|---|
| Seth Brown | Sharnee Colley | Rayden Cumper |
| Kristoffar Byrne-King | Angel Hart | Ashlee Johnson |
| Lilya Craig | Lacey Hassner | Shilo Pearce |
| Jarrell Creusott | Jake Houghton | |
| Shaun Murray | Dean Lawson | |
| Ethan Smart | | |
| Toby Wallis | | |
| TJ White | | |

# Student Representative Council

In 2023, the Student Representative Council (SRC) enjoyed a remarkably productive year, demonstrating their commitment and leadership. They assisted with the transition of primary school students, contributed to the Year 12 Graduation Ceremony, hosted assemblies as MCs, and provided assistance at community events.

In Term 1, the Year 11 and 12 Student Councillors attended the Youth Leadership Conference at the Perth Convention Centre, run by youth, for youth. The Conference is designed to inspire, strengthen and empower our future leaders.

The students had the opportunity to hear from some amazing guest speakers, including Mr Will Massara, the Founder and Chief Executive Officer of Youth Leadership Academy Australia. Mr Massara is a 20-year-old social entrepreneur with the goal to support teenagers to be empowered and more equipped to act on their dreams.

Also, in Term 1 the Year 8-10 Student Councillors attended the Halogen National Young Leaders Day at the Perth Convention Centre. Halogen Australia exits to inspire and influence a generation of young people to lead themselves and others well.

The students heard from four amazing speakers; they were most excited about Mr Matthew Pavlich. They enjoyed meeting like-minded students in leadership positions from other schools. The students came away with ideas they can work on as a team with the whole SRC group.

Our collaboration with local Primary Schools through the Transition Program continues to strengthen annually as we introduce fresh initiatives for our prospective students.

In Term 2, we hosted an information evening and school tour for prospective parents/caregivers and their children. The SRC presided over the event and guided the school tours. The student guides led the tours with pride and confidently addressed questions from families.

In Term 3, spanning three days, we welcomed nearly 200 Year 6 students from our partner primary schools for a Transition Day. These students came from Clayton View Primary School, Greenmount Primary School, Herne Hill Primary School, Middle Swan Primary School, Midvale Primary School, Moorditj Noongar Community College, and Swan View Primary School. They enjoyed a full day of scheduled activities, providing them with a glimpse into the programs we offer and what high school life entails. The Year 7-9 SRC students supported the transition day by demonstrating exemplary behaviour and addressing numerous inquiries from curious Year 6 students.

Thursday 30 November saw more than 120 Year 6 students participating in our Orientation Day. Gathering at the school's entrance at 8:30 am, many students felt a hint of nervousness about the day's events. The morning commenced with a whole-school assembly, where parents/caregivers joined in. The assembly served as a joyful occasion, with Year 6 students witnessing the acknowledgment of numerous achievements and award presentations to our current students. The SRC provided support throughout the day, helping to calm the nerves of the Year 6 students and serving as role models for behaviour.

At the Assembly, I was proud to announce our new Head Girl, Head Boy and the Deputies for 2024:

- Head Girl – Shantè Regnault
- Head Boy – Hayden Carter
- Deputy Head Girl – Rachel Watson
- Deputy Head Boy – Jameson Hewer

To finish the year off we attended our SRC Leadership Camp, 22 students. We headed to Point Walter Recreation Camp for three days. Point Walter is a beautiful peaceful location on the banks of the Swan River.

The annual SRC Leadership Camp was a journey of growth, friendship, strategic planning, adventure and learning. The camp served as a place for our leaders to foster skills and create visions that will shape the upcoming year.

The camp kicked off with orienteering, challenging them to navigate through varied landscapes, developing teamwork, and decision-making. Ultimate sports added an adrenaline rush, promoting healthy competition while reinforcing the importance of collaboration and sportsmanship.

During the exciting activities, archery stood out as a test of focus and precision. The giant catapult, a new addition this year, sparked innovation and teamwork as teams engineered and launched items showcasing imagination and problem-solving.

Pool games provided a much-needed avenue for fun and promoting friendships. These casual moments of bonding strengthened our team, ensuring a solid and supportive environment for all.

Among the flurry of activities, a crucial aspect was the preparation of the SRC Business Plan for 2024. Thank you to Mrs Helen Hawley, Deputy Principal - Teaching and Learning, for visiting to assist with the planning.

Guided by the staff, the students delved deep into strategic planning, picturing projects that align with our core values. The leadership camp wasn't just about improving individual skills—it was about creating a collective vision. Each activity, discussion, and interaction contributed to a mixture of ideas that will shape our activities in the upcoming year.

I am looking forward to working with this amazing group of students in 2024.

# Swan View Basketball Program

The Swan View Basketball Program has continued to develop in 2023.

All our Basketball Program students in Year 7 and 8, have had two timetabled periods of Basketball each week, for the duration of 2023. In a new development this year, our Year 9 and 10 students have had four periods of Basketball each week. This has allowed for additional development and opportunities learn more about officiating and coaching.

Our Year 10 students were able to obtain a coaching qualification through Basketball Australia as part of the course this year. Basketball Program students competed in Tournaments for Year 7, 8, 9 and 10.

Our teams performed extremely well, and this was an excellent opportunity for our players to test their skills against other schools. In addition to our in-school program, we had a Senior Boys team that trained and represented Swan View during 2023. This team competed in the School Sport WA Basketball Tournament which is open to all schools in Western Australia.

Throughout the year, we have visited our partner primary schools to promote the program and encouraged our future students to try out for a place in the Swan View Basketball Program. We are looking forward to welcoming our new Year 7s in 2024

The Clontarf Foundation exists to improve the education, discipline, life skills, self-esteem, and employment prospects of young Aboriginal and Torres Strait Islander men and by doing so equips them to participate more meaningfully in society.

This year has been extremely busy full of activity and experiences for the young men in our program. Some of the achievements for the Swan View Clontarf Academy in 2023 include:

- 82% average attendance in our program for 2023.
- 85% of Clontarf students received a health check in 2023.
- Clontarf completed 12 camps in 2023 including trips to Carnarvon, Busselton, Pinjarra and Cervantes.
- Thirty-five Good Bunch Lunches which reward students on Friday with a cooked healthy lunch if they are 100% attendance for the week. We would average 25 students achieving this every week. It was always great to see some of the teaching staff join us at these times.
- Three 100% attendance breakfasts. All boys with 100% attendance for each Term get to order anything off the menu in the last week of each Term at a restaurant of choice in the area. Approximately 15 students achieved this each Term.
- Clontarf offers healthy food options (and occasional treats) in a safe, fun and welcoming Academy room before school at recess and lunch every day. We would average 20 boys in the Academy at every recess and lunch break at any one time but most of the boys would come through during all breaks.
- Up to 24 (average 15) students were being assisted with regular pickups and drop offs every day.
- At least two after school activities every week. These could be fun, educational or even individual development sessions with students in our program.
- Over 50 early morning training sessions. Our training sessions have been a real highlight this year. They include one hour of training, a quick shower followed by a cooked breakfast before school. This a great way to start the day and encourages good habits post schooling. This year we averaged 22 students to each session.

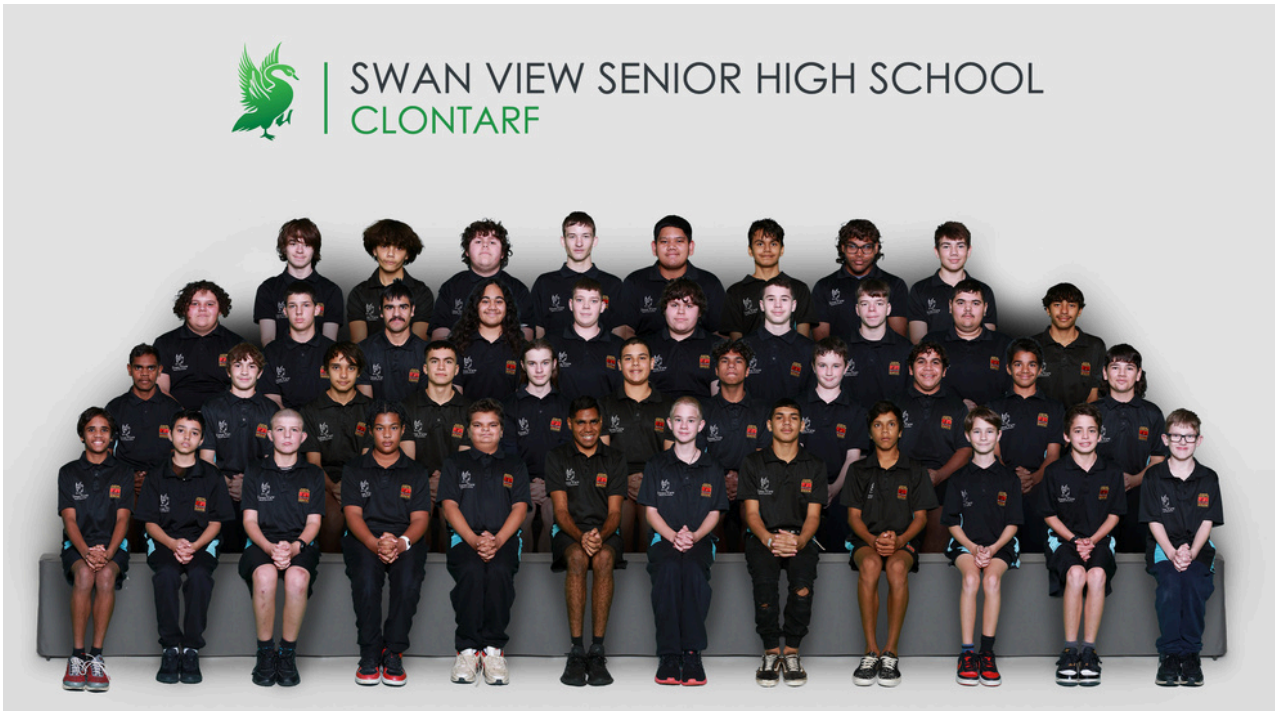

Clontarf had a number of employment outcomes with assisting students find part time employment as follows:

- Deyonta Andersen - (Woolworths)
- Tyrone Andersen (Australia Post)
- Hayden Linton (Australia Post)
- Riley Maxwell (Woolworths),
- Karl Humes (Kmart)
- Patrick Alley (Target),
- Billy Randall-Goddard (Linfox),
- Abraham Arerau (Hungry Jacks)
- Johnie Black (Gilberts)
- Michael Narrier (Chicken Treat)
- Jayden Bradley (McDonalds)

A successful Clontarf Awards Night in Term 4.

All three Year 12 students completed Year 12.

The Follow the Dream: Partnerships for Success Program has had an eventful year that was filled with a variety of cultural and academic experiences that both engaged and challenged students. We are indeed very proud of the outstanding progress that students have made throughout the year.

We would like to acknowledge the achievement of some students who have won scholarships for 2024. They join our long list of current and previous scholarship winners.

Aurora High School Program:
• Year 9 - Jay Gavranich
• Year 11 - Tina Narrier
• Year 11 - Hayden Linton

ABCN Accelerate Program:
• Year 10 student Patrick Alley won the three year ABCN Accelerate scholarship.
• Year 11 ABCN Accelerate Scholarship winners Lateisha McGowan and Kyle Hill-McNally were excited to attend the Leadership Conference held in Sydney for all new scholars.

Students had the opportunity to attend the University of Western Australia touring the facilities. The UWA School of Indigenous Studies also provided an introductory presentation about University life and courses. Similarly, two Year 10 Follow the Dream students won places to take part in the Curtin University five-day residential program, where they engaged in experiences with STEM and mining, travelling the Southwest, mingling with aspirational Year 10-12 students from across Western Australia and interstate.

Years 9 to 12 also attended the Murdoch University Kulbardi Dreaming Open Day for all Indigenous students. They participated in some challenging and fun workshops that gave an idea of what some undergraduate study may entail.

*PHOTO: Anthony Hill, Ms Gaynor Manning, Jay Gavranich, Hayden Linton, Kyle Hill-McNally, Aaliyah Addenbrooke, Lateisha McGowan, Aaliyah May and Siobhan Sudholz.*

*PHOTO: Ms Nadine Foley with Ella Detloff, Rikki Gutierrez, Tatiana Egan and Dianna Abraham learning cultural weaving.*

The Noongar Art and Cultural Enrichment Program continued throughout the year with Nan Vicki Adams doing rock and sand painting with students. Students also went on the Warrang-Bridil Cultural Tour on the Derbal Yerrigan with Nicky Abraham. Students learned a great deal about the river and culturally important aspects, as well as the Optus stadium site.

Swan View Senior High School also welcomed back owner Ms Nadine Foley, along with her Nan Coral Foley, to participate in numerous Yarning and Weaving workshops with Culture Weave. Follow the Dream students and tutors were skilled up in no time with foundation weaving skills.

The NAIDOC celebrations were kicked off with Nan Vicki Adams collaborating with Year 11 student Aaliyah Addenbrooke to design a NAIDOC bag, featuring the theme For Our Elders. All workshops with students throughout the week saw students engaged in activities printing bags and drawing.

Ms Foley and Nan Coral put on a whole day of weaving with many classes in the school booked in to make bracelets, headpieces and baskets. Many of the teachers took the skills learned back to the classroom to continue creating some wonderful art pieces throughout Semester 2.

Our end of year Awards Night was a great event where many students won awards for high school attendance over 90% as well as an average of two nights a week attendance at homework classes over the whole year. Outstanding academic achievement was also celebrated as 16 students receiving awards for academic excellence. Dr Bep Uink from Murdoch University gave a truly inspirational keynote speech that described her career and life journey, resonating with many in the audience.

We look forward to an even more culturally and academically enriching year in 2024 for our Follow the Dream students.

We started 2023 off with 57 students with seven Year 7 students joining the program.

We were lucky to be able to travel to several Stars schools and participate in several activities. Our first year with our Year 12 being able to attend an Induction camp the girls spent two nights at Karrinyup Water Resort. This had several activities that had covered our Stars Pillars including well-being, healthy lifestyles, education & pathways, community, culture, and leadership. We attended a couple of excursions over the year with two being overstays. Kalgoorlie hosted a netball carnival with a cultural tour on country hunting for home ants. A group of girls went down to Busselton for a Careers Expo and basketball carnival. Swan View Stars hosted the first AFL 9 side football carnival with our very own Design and Technology designing the shield of participation. Thank you, Mr Vidler.

Over the year we also visited and had the visits from Stakeholders. We were lucky enough to have our Year 12 have day trip to Barrow Island and visit the Chevron site. This was to give them a snippet of the life of a FIFO person.

The Year 12 also had a site visit to Genea Fertility Clinic and an opportunity to meet staff and talk to the doctors and nurse on women's health. We also visited Target Midland Gate with the chance for our girls to have opportunity look at part time employment.

Our Year 12s have come to the end of their schooling and with our celebration to them we arranged a week of rest and relaxation down south to Busselton staying at Aqua Resort for four nights.

We concluded the year with our attendance reward outing to Adventure World in Bibra Lake. We have 15 girls enjoy this reward, the weather was a little disappointing but good had by all.

The Awards morning was held on 7 November in the Stars Room. The morning included the awards ceremony, a celebration of the Year 12 ladies Graduating High School and having a feed and yarn with the students, Stars Foundation, Students families and Special Guest. We would like to thank every student that participated in the Stars program this year.

# Swan View Emergency Services Cadets Corps

**State Camp**

On Saturday 22 April 2023, 162 Emergency Services cadets across Western Australia descended onto the Northam Army Base for four days at the Youth Programs Cadet State Camp. Tents and swags were established, old friends reunited, and new friendships were made. The last day of camp was Tuesday 25 April, ANZAC Day. Over 150 Cadets joined the Northam RSL Branch in the annual ANZAC Day parade through the streets of Northam. Special thanks to the Northam RSL Branch for incorporating the cadets into their service.

*PHOTO: Northam ANZAC parade ceremony: Dean Arjoon-Cloghan, Dylan Arjoon-Cloghan, Roger Rojo, Oska Dunn, Portia (Jurien Bay ESCC), Mr Jon Jon Ramirez, Jacob Jones.*

**End of Year Camp**

On 10 December 2023, we completed the year with our final camp at Bremer Bay, a coastal town situated on the south coast of Western Australia in the Great Southern region between Albany and Esperance. Bremer Bay is 515 kilometres southeast of Perth and is known for its beautiful beaches which we enjoyed. We spent time training in treating snakebites and preventing mass bleeding in a first aid scenario by DFES Station Officer Paul Armstrong.

*PHOTO: Bremer Bay - Lillian Lossie, Maddy McGilvray, Amelia Headley, Anna-Leigh Smith, Dean Arjoon-Cloghan, Brock Middleton, Eric Arjoon-Cloghan, Jacob Jones, Oska Dunn, Dylan Arjoon-Cloghan and Roger Rojo.*

**Farewells**

As a Unit we like to wish farewell to Roger Rojo, Dylan Arjoon-Cloghan and Oska Dunn who are graduating. All three started at cadets as Year 7s and maintained a high level of commitment and a positive attitude in all aspects of the ESCC, their efforts did not go unnoticed as all three won major awards at graduation. To Roger, Dylan and Oska thank you all for being a valuable member of the Swan View Emergency Service Cadet Corps, all the best for the future.

***Mr Jon Jon Ramirez***

Proud to support

THE DUKE OF EDINBURGH'S INTERNATIONAL AWARD

AUSTRALIA - WA

This year at Swan View Senior High School, we offered The Duke of Edinburgh's International Award to two students in Year 10. The Duke of Edinburgh Award is a leading youth development program, empowering all young Australians aged 14 to 24 to explore their full potential and find their purpose, passion and place in the world, regardless of their location or circumstance. The Award is a fully inclusive program and has no social, political, or religious affiliations.

The Award is divided into three levels with each progressively more challenging and students must complete a varying number of hours across each section. Within each section students can choose from their interest and hobbies whilst also attending a camp in which they plan.

Levels:
- Bronze
- Silver
- Gold

Four Sections:
- Physical Recreation
- Skills
- Voluntary Service
- Adventurous Journey (Camp)
- Gold Residential Project (Gold Level only).

On Tuesday 15 August 2023, the first Swan View Senior High School Duke of Edinburgh Camp took place at Nanga Mill Campground in Dwellingup. Lucas Bergin and Cadence Headley were selected to be part of the program at the end of 2022. As part of the Award students had to plan an adventurous journey. When we arrived at Nanga Mill students planned our hike along the King Jarrah Trail via the Munda Biddi track. We hiked 14km, taking in the scenery and walking down to the Murray River. Back at Camp we made dinner and played card games before settling in for the night. When we woke up in the morning there were a few wet tents after an overnight thunderstorm but that didn't stop us from getting up and getting on with the rest of camp.

After Camp, both students have continued to show great commitment to the Award, with Cadence continuing to extend her hours across Skills and Voluntary Service and Lucas who completed all sections and will be receiving his Bronze Award next year.

***Ms Constance McInstosh***
***Coordinator***

# Elevate Program

The Swans Elevate leadership and mentoring program has been running at Swan View Senior High School since 2019. This year, due to increased funding, the program has expanded to run four, year groups (Year 8 - Year 11). Each year group attended two classes per week. This expansion has seen improved engagement, attendance, and personal growth amongst the students that would not have been achievable without the increased contact time.

The students engaged in personal exploration and understanding, developing their skill around how to regulate their emotions and resolve conflict. Along the way students have built positive relationships with mentors from Swan Districts Football club, which has served to increase their support system and provide them with space to complete social and emotional learning in a safe environment.

Elevate students also participated in several excursions including a trip to Westrac in Guildford. This excursion targeted Year 10 and 11 students, providing opportunity to learn more about possible pathways through Westrac.

In Term 4, Swans Elevate students used the many skills they had developed across the year at a Primary School Activity Day held at Steel Blue Oval. Swan View Senior High School students were paired with a group of Primary School students leading the young participants through a range of activities utilizing the mentoring skills. The day was a huge success, with many excelling in their Leadership role and many reported feeling proud of their achievements.

At the end of 2023, we noted the following trends:
• 43% of students have maintained or increased their attendance from Semester 1 2023 to Semester 2 2023.
• Average school attendance for 2023 is 80% across all year groups.
• Average Swans Elevate attendance is 85%
• 30 students (70%) have maintained a record of no suspensions or reduced their suspensions.

The program provided a positive class-based engagement opportunity for students that participated, building relationships and skills that will support them into the future. One student stated:

‘I like how it’s sort of free time from full time schoolwork, but it’s always educational as we do certain activities towards future references, but it’s also a space where you can feel comfortable and understood. (also really fun)’

Swan View Senior High School was also fortunate to receive a grant from Bendigo Bank Mundaring which will assist with funding the Elevate program into the future. We are extremely thankful for their generous donation and look forward to sharing the experiences of the students that are benefitting from their financial input.

***Ms Pauline Manser***

# Transition Program

Our Transition Program has been a basis for ensuring smooth transitions for primary school students into the exciting world of high school. This year, we showcased our school's offerings, promoted excellence, and fostered a strong connection with our local primary schools through a series of vibrant and engaging activities.

Our team visited local primary schools to promote our unique programs and invited students to explore their talents. Auditions for our renowned FAME (Future Artists Mastering Expression) program were facilitated, uncovering budding performers, while ACE (Achieving Curriculum Excellence) students were selected, with offers sent out shortly after.

We opened our doors to Year 3 and 4 students, who visited our school for a Robotics and Media Experience with the innovative guidance of Mr. Vidler and Ms. Thompson. These sessions were not only educational but also inspiring, sparking curiosity and creativity.

In Term 3, Year 6 students from eight local primary schools participated in Transition Days, getting a firsthand taste of high school life. These days were filled with exploration and fun, building excitement for what lies ahead.

To highlight our exceptional FAME program, our talented drama students brought literature to life during Book Week, performing shortlisted picture books at local primary schools. Similarly, our Music students embarked on a Music Tour, delighting audiences and showcasing the joy of music.

In Term 3 also saw the announcement of our Year 6 Scholarship winners, celebrating academic excellence and talent.

Term 4 our Science teacher visited local primary schools, creating a fun and interactive science experience for Kindy students, sparking an early love for learning.

The program concluded in Term 4 with Orientation Day, where approximately 120 Year 6 students officially joined our school community. After a warm assembly that recognised Scholarship winners and future ACE students, they enjoyed a day filled with engaging activities across various subjects, setting the stage for an extraordinary high school journey.

Our Transition Program reflects our commitment to being Diligent, Accountable, Respectful, and Extraordinary in everything we do. By fostering connections and nurturing young talent, we ensure every student is prepared to thrive in their next chapter.

# Events

# Athletics Carnival

On Friday 15 September 2023, we held our annual whole school Athletics Carnival, on our school oval. The day was a huge success and all students who attended should be congratulated on their participation and the positive way they represented their Houses. Throughout the day students were able to compete in a variety of events, including 100, 200 and 400m sprints, Long Jump, Shot Put and Discuss. In addition to these more traditional events, there was the vortex throw, Tug-o-war and a number of team games. Every student who competed in an event was awarded points for their House and the competition was close all day. In the end there can only be one winner and for 2023 – the winning House was Weld. Below is a list of Medal Winners for the day as well as the overall House scores.

A huge thank you to the Health and Physical Education staff for their efforts in planning and running the Carnival. Also, the student House Captains who came early and stayed back late to pack up, plus the entire staff team – the day was a huge success, as a result of everyone contributing and helping out.

***Mr Steve Bezant***

# Beach Carnival

On Friday 10 March 2023, we moved the school to the Beach – setting up our annual Beach Carnival at Mullaloo Beach. The day was a huge success and all students who attended should be congratulated on their participation and also the positive way they represented our school. Throughout the day students were able to compete in a variety of events, including Beach Sprint, Surf Swim, Board Paddle and Ironman/woman. In addition to these more traditional events, there was beach volleyball, tug-o-war, and the super 8s. Every student who competed in an event was awarded points for their House and the competition was close all day. In the end there can only be one winner and for 2023 – the winning House was Salisbury.

A huge thank you to the Health and Physical Education Staff for their efforts in planning and running the carnival. Also, the student House leaders who came early and stayed back late to pack up, plus the entire staff team – the day was a huge success, as a result of everyone contributing and helping out.

# Colour Run

On 21 September 2023, our school grounds were transformed into a vibrant explosion of colour and fun as we held our first Colour Run and ending Term 3 on a fun note.

The Colour Run kicked off with a burst of excitement as participants took to the course, each step leaving trails of vivid colours across the oval. The sprinklers, water pistols, and water balloons added an extra splash of excitement to the event. Staff and students alike threw themselves into the colourful chaos with enthusiasm. Many staff members showing that they could have just as much, if not more, fun than the students.

A big thank you to all the participants for bringing their A-game and embracing the colourful chaos. Your extraordinary efforts, willingness to get involved, and the sheer joy you brought to the event made it a resounding success.

# Interschool Carnivals

## SWIMMING

In 2023, Swan View Senior High School re-entered the School Sports Western Australia (SSWA) Interschool Swimming and Athletics Carnival. It was the first time in recent history that Swan View Senior High School had competed in both carnivals, making it an exciting experience and opportunity for both the students and school to get involved in.

On Monday 13 March 2023, 13 students from across Years 7 – 12 competed in the SSWA Interschool Swimming Carnival at HBF Stadium. The students competed in both individual races and relays versing like schools from around the metro area. The Carnival was a great opportunity for the students to display their talent and skills. Swan View Senior High School did extremely well with many students placing in events. Special mention to Joel Filmore and Siobhan Sudholz who both won overall champions.

Overall, Swan View Senior High School finished in 6th place. Well done to all competitors, you represented our school proudly.

# School Production

This year we presented three one-act plays – “Reasons to Stay Inside”, “The Seussification of Romeo and Juliet” and “With All My Love, I Hate You”. The cast and crew consisted of students from Years 8 to 12 and were ably supported by a group of dedicated staff. These three shows provided variety to our audiences and allowed our actors to extend the range of their skills.

# Curriculum

# The Arts

2023 was an exciting year for The Arts Learning Area – filled with exhibitions, performances, excursions, visiting artists and other public events. As has become tradition, we celebrated our students in the Showcase Assembly, held in week 8, Term 2. Our annual Fringe festival – in Week 9 of Term 2 – was well supported by family, staff and students. This year we featured Arts works and contributions from students in Years 7 to 12, and again ran the “Play in a Day” competition.

In Term 4, we were proud to present our annual Arts Open Day and Awards Night. As usual we had wonderful support from parents/caregivers and family members, and many staff brought their classes to participate in our performances and exhibitions.

Please see the following pages for a more detailed look at the adventures and events in the Arts in 2023.

# Drama

2023 was a year packed with shows, excursions, workshops and all kind of fun shenanigans.

## YEAR 7

The newest students in the FAME family started their journey studying ritual theatre, working together to create a whole class production. We went on to study radio drama, create props and costumes out of found materials and concluded our year with our first public performance – our circus show, having studied circus skills with trainers from Yip Yip Circus. In Term 4, the Year 7 class also had a visit to the Spare Parts Puppet Theatre to see “Blueback” (based on the Tim Winton novel).

## YEAR 8

We continued our FAME journey, commencing our year with a study of pantomime and learning how to create and edit sound for our productions. In Term 2, we studied stage combat with the amazing Nastassja from Stage Combat Perth. We also attended the State Theatre Centre in Term 3 to see “The Snow” – judging by the reaction, we all had a blast. Term 4 saw us present short plays based on Grimm’s fairy tales, presented at the Arts Open Day.

## YEAR 9

This class showed off their artistic side in Term 1, working on mask design and in Term 3 preparing plays for our annual Book Week tour. Our FAME excursion – in Term 1 – took us to the Heath Ledger Theatre to see “Cyrano”. In Term 4, we forged ahead and worked on three one-act plays – “The Tree”, “Oedi” and “Drugs Are Bad”. All three plays were performed as part of Arts Week in Term 4. What a great end to Year 9.

## UPPER SCHOOL

As has become tradition at Swan View Senior High School, the Year 10 FAME class joined the Year 11 and 12 classes which allowed them to work with the older students and learn from them. They were excited to continue their studies of stage combat, again learning from Nastassja. The senior students also staged some amazing class performances this year. The year kicked off with the Year 11 ATAR and all the Year 12s presenting monologue performances to friends and family. In Term 2, the Year 12s presented their version of “The Curious Incident of the Dog in the Nighttime”. The Year 12s finished their year strongly with their Solo performance night. The Year 11 class proudly presented their production of Medea at the start of Term 4, while the Year 10 FAME students produced some amazing and creative work in their production of “Crushed”. In addition, the Upper School drama group was lucky to attend some great shows this year – “Come From Away” and “Things I Know to be True” both at the State Theatre Centre, and “Into the Woods” at His Majesty’s Theatre.

## CERTIFICATE II IN CREATIVE INDUSTRIES

Certificate students provided the support for all our public events in Drama this year. They worked hard to develop their public service skills, and also lead the staging of the Drama events for the Swan View Fringe event in Term 2. Not just skilled behind the scenes, the class also developed a group performance “Lockdown” which was staged in Term 3.

## WORKSHOPS AND PARTNERSHIPS

This year we continued our partnership with the WA Youth Theatre Company (WAYTCo) – hosting the WAYTCo hub on Tuesday afternoons. Our Year 7s also participated in the Bridge Program (provided to us through the Black Swan State Theatre Company). To close our year, a very lucky group of students attended a four-day series of acting workshops at WAAPA, brokered for us by the Smith Family as part of their SmArts program.

# Visual Arts

## 2023 VISUAL ART EXHIBITION

2023 has been a busy and productive year for the Visual Arts. During Arts Open Day we held the annual Visual Art Exhibition for 2023. The exhibition displayed the works from over the year, from 7 to 11 General Visual Art classes, Visual Arts Certificate II and Art Club. The exhibition was a huge success, split over three rooms we had just over 240 artworks on display.

For the first time this also included the Year 9 Visual Art light-based exhibition, The Shoebox Project. Students used shoeboxes to create light base sculptures of miniature worlds that they illuminated with lights and displayed in the old dark room.

Over the day students, staff and parents viewed the exhibition and voted for their favourite artworks from each year group. A big congratulations to our winners of the 2023 People's Choice Awards:

| Art People's Choice Awards | |
|---|---|
| **Year 7** | Savanah Cotter |
| **Year 8** | Hamish Cavallaro |
| **Year 9** | Meraime Warra, Alyssa Scurrah and Kezia Carey |
| **Year 10** | Tiffany Santos |
| **Year 11 Certificate/General** | Abigael Henry |
| **Year 11 ATAR** | Lateisha McGoawn |
| **Art Club** | Chase Servina |

We are very proud of the artworks that the students have created for 2023, the creativity and quality was exceptional.

## 2023 YEAR 12 VISUAL ART EXHIBITION

In Week 2 of Term 4 our Year 12 Visual Art students exhibited their artworks for a final show at Swan View Senior High School. The students displayed a range of works in different mediums from ceramics and paper-mache to drawing and painting. Students, teachers and parents viewed the exhibition and voted for their favourite artwork for the people's choice awards. Our winners of the People's Choice Awards for 2023 were Viktoria Pierzynka, Sarah Randall and Heidi Hewett-Jones.

## SCULPTURE BY THE SEA EXCURSION

The Year 11 and 12 Visual Art students headed to Cottesloe Beach to view and explore the 2023 "Sculpture by the Sea" exhibition. One of the largest annual outdoor sculpture exhibitions in Australia, the Cottesloe exhibition features over 70 sculptures and is enjoyed by 220 000 visitors each year. The students spent the day viewing the transformation of the beautiful coastal location into a temporary, large-scale outdoor sculpture exhibition space. They also got to meet with two of the exhibiting artists Sharyn Egan and Tom De Munk Kerkmeer, and discuss their creative, conceptual, and artistic responses to site and landscape.

## PULSE AGWA AND HATCHED PICA ART GALLERY EXCURSION

The Year 10, 11 and 12 Visual Arts students had the opportunity to attend an excursion to the Art Gallery of WA (AGWA) and the Perth Institute of Contemporary Arts (PICA). Students observed the artworks of Pulse at AGWA, featuring works by the 2022 Year 12 Visual Arts graduates from schools across Western Australia and Hatched, at PICA, an exciting showcase of the best up-and-coming artists recently graduated from art schools across Australia. The students experienced new outlooks and ideas for concepts that they can develop in their own artistic projects. The day gave an inspiring and insightful look at the world through the minds of our most talented young artists.

## PERTH ZOO EXCURSION

The Year 11 and 12 Visual Art students went on a day trip to Perth Zoo and had the opportunity to use real life observation and investigation to guide their art practice, experiencing practices used by professional artists. The group explored the wide range of different animal species at Perth Zoo, took photos of the animals in a zoo environment and drew from real life practicing their observation drawing skills, specifically their timed sketching and quick shading techniques. The students used this experience to create investigative portfolio entries for their visual diaries and to explore their various project themes, specifically “Animals in the Modern World” and “Differences”.

## VISUAL PUN SCULPTURES - SWAN VIEW FRINGE FESTIVAL

In Semester 1, the year 11 and 12 Certificate II in Visual Arts students worked hard to create large scale sculptures of different Visual Puns. These giant sculptures have been made almost entirely out of paper mache with newspaper, tape, and cardboard used to create the bases. Students then displayed their artworks around the school as an interactive exhibition for our Swan View ‘On the Fringe’ festival. Visitors were encouraged to find all the sculptures and guess the correct visual pun. I am incredibly proud of every student’s creativity and dedication that they put into their sculptures.

## ART CLUB FACE PAINTING AND SAND SCULPTURES

This year our Visual Art students once again practiced their face painting skills at our Annual Athletics carnival. The students were in high demand over the whole day and painted many creative and house themed designs. For the first time ever, students also participated in making sand sculptures at our Sand Sculpture Station. Between events students had the opportunity to express their creativity, molding sandcastles, and other formations.

***Ms Zoe Baldock***
***Teacher***

*PHOTO: Sarah Randall.*

# Music

2023 has been an exciting year for the Music Department at Swan View Senior High School Students participated in numerous performances and events throughout the year. Annual performances students were involved in included Swan View Fringe Festival, Arts Assembly, Arts Open Day, Showcase Assembly, Primary School Music Tour and the Year 12 Graduation Ceremony.

The Voice Swan View returned again in Term 3. After some very competitive performances, the singing competition was won again by last years' champions, Dylan Arjoon-Cloghan and Oska Dunn.

The Primary School Music Tour made an expansion by visiting six local primary schools over two days. This performance was enthusiastically received by many who watched them perform. Upon returning from tour, students repeated their performance a part of the school's R U Ok? Day events. Our Deputy Principals had great fun singing along to The Wiggles "Big Red Car".

The Classical Guitar Ensemble participated in the annual Western Australian Classical Guitar Festival held at Carine Senior High School. Adjudication was by Dr Melissa Fitzgerald, lecturer at the University of Western Australia, and Rupert Boyd, an international performer who studied and currently reside and performs in New York. The ensemble was awarded "Outstanding" for their performance, which is the highest grade one could receive.

Also in Term 3, professional music recording artists from AMCOS APRA, Taka Perry, Katie Wighton and Elise Reitze-Swensen, in partnership with SongMakers and The Smith Family, visited our school for a two-day intensive song writing workshop. Students divided into small groups to compose record and produce four of their own, very well produced songs. While the program has been run for the many years in the Eastern States, Swan View Senior High School was among three school to first be involved in the program in Western Australia.

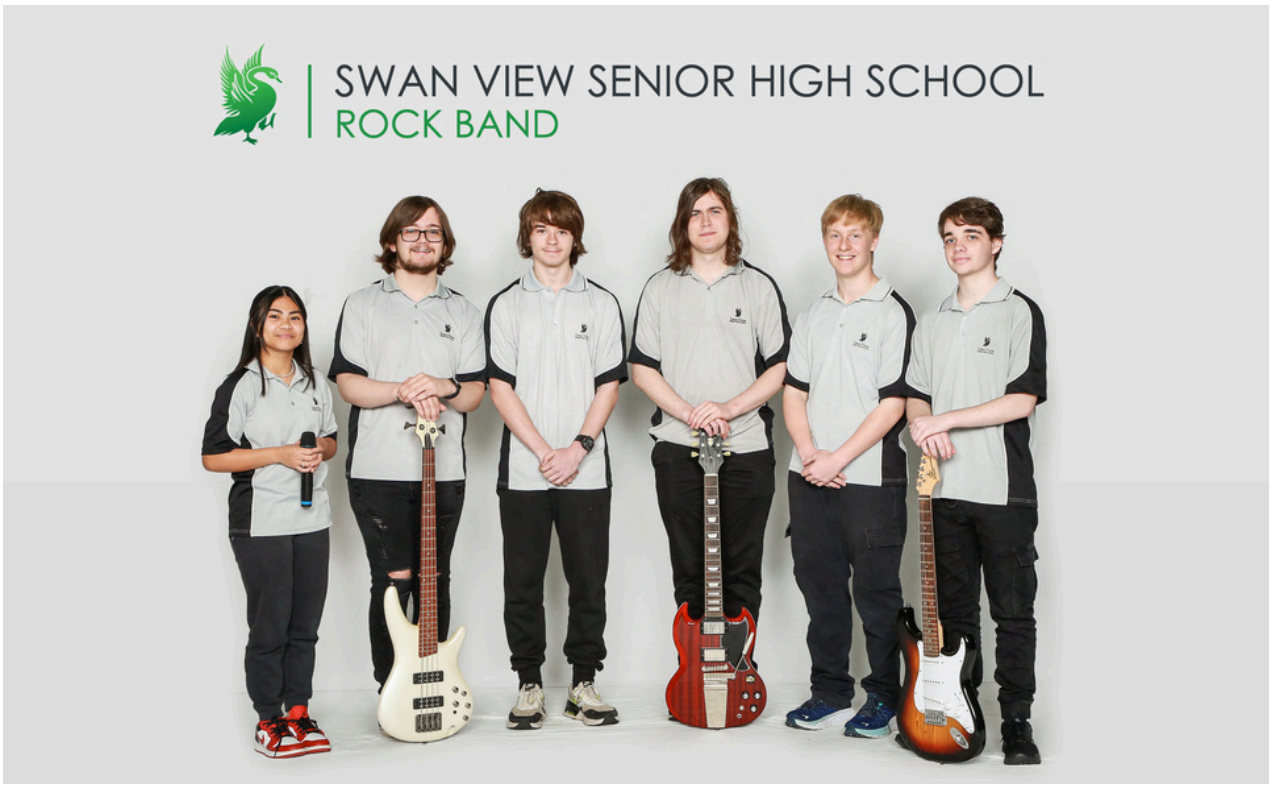

Music students and other selected Arts students visited the University of Western Australia in Term 4, where they had a tour of the campus and various fine arts program. Students also had a go at creating their own digital music backing track for Pacman, and creating sculptures for a moving video.

The year was ended with a visit from Kaboom, a Perth local percussion group who deliver bucket drumming workshops. Students watched performances from the duo on homemade instruments made from recycled materials before preparing and practicing their own drumming performance on recycled buckets.

# English

As we turn the pages of the Year Book, it is with great pleasure that we pause to celebrate the incredible journey in our Swan View Senior High School English Learning Area. The 2023 academic year has been nothing short of a literary adventure, filled with creativity, growth, challenges, and a shared love for the written word.

Throughout the year, the English Learning Area has strived to be a beacon of inspiration, fostering a dynamic learning environment where students have explored the vast landscapes of literature and the English language. Under the guidance of our dedicated and passionate teachers, each student has embarked on a unique expedition, discovering the power of language and the beauty of self-expression.

The curriculum, a carefully curated collection of classic and contemporary works, has served as a map guiding our students through the realms of novel and film studies, dystopian futures, and poetic musings. From the passionate discussions in Mrs Bouffler's classes to the imaginative worlds explored in Mr Bennett's Book Club, Ms Schofield's or Mrs Hayman's classes, our English Learning Area has been the canvas upon which dreams have been painted and voices have found resonance.

Our English educators, the unsung heroes of this narrative, deserve heartfelt appreciation for their unwavering dedication to nurturing young minds. Their commitment to fostering a love for literature and critical thinking has not only enriched our students' academic experience but has also shaped students into thoughtful, articulate individuals ready to face the challenges of the world beyond high school.

As the Swan View Senior High School English Learning Area bids farewell to the Class of 2023, we know they will carry with them the stories, lessons, and a deep appreciation for the beauty of language. The friendships forged in classrooms and the knowledge gained within the school will remain etched in students' hearts as they turn the page to the next chapter of their lives.

May your individual stories continue to intertwine with the echoes of your lessons, creating a tapestry of lifelong learners and lovers of literature. The final chapter in the 2023 English experience may be closing, but the words written there will resonate with all for years to come.

***Mrs Tammi Bouffler***
***Head of Learning Area***

# Health and Physical Education

What a year it's been! There is always so much going on down in the Health and Physical Education Learning Area. It has been an exciting year full of highlights. Throughout the yearbook, we celebrate a number of events and activities that took place throughout 2023 in the Health and Physical Education Learning Area – these include:

- Beach Carnival
- Athletics Carnival
- Interschool Athletics and Swimming Carnivals
- Outdoor Education Expeditions and Excursions
- Basketball Program
- Duke of Edinburgh Award
- Soccer Teams
- Volleyball Club
- Badminton Club

All these things are examples of the incredible opportunities that our students can take advantage of, at Swan View Senior High School. They are also examples of our students displaying high levels of engagement, maturity, and self-management skills to be able to safely participate in this variety of activities. In General Physical Education throughout the year, our students have had the opportunity to be active and develop skills to support healthy lifestyles. Across this year they have participated in a variety of sports and being given the opportunity to develop fundamental movement skills applicable to a range of activities. Athletics and fitness testing were completed by all year groups and then a range of other sports and recreational activities.

At Swan View, we are committed to getting our students active and involved in physical activity. This is important for developing healthy habits for life and is part of our holistic curriculum. Students who have a passion for the Health and Physical Education Learning Area have been able to get involved in a variety of additional activities, including lunch and recess games in the gym, sport teams and clubs, plus our Lightning Carnivals. All students in Years 7-10 had the opportunity to participate in a Lightning Carnival, where we competed against other schools from our region in both Basketball and Soccer Tournaments. All students who participated in these carnivals, should be congratulated on their efforts in representing our school – we are very proud of their performances.

In Health Education, we have covered a variety of important topics that are relevant for all students. This includes Drug and Alcohol Education, Relationships and sexual health, mental health, resilience, and online safety.

It's been a great year working with our students and engaging with the Health and Physical Education curriculum. I would like to acknowledge our Health and Physical Education team for all their hard work and commitment to our students. Through their hard work and the engagement of our students we have seen some excellent results in 2023. Enjoy looking at some highlights from Health and Physical Education – thanks for a great year!

***Mr Steve Bezant***
***Head of Learning Area - Health and Physical Education***

# Outdoor Education

## YEAR 12

In Semester 1, the Year 12 Outdoor Education (OED) students hiked up Mount Cooke located in the Darling Range. Students took it in turns to lead sections of the hike, taking in the beautiful view as we walked. The hike had some challenging sections however, it was a great reward once we had reached the 582m peak. By the end of the hike the students were filled with excitement, knowing they had just completed the 10km hike as they had planned during the semester.

In Semester 2, we began preparing for our final expedition. Students attended early morning canoeing sessions at Middle Swan Reserve in preparation for our Day trip and Camp. Each morning students would begin to improve their skills and demonstrate great teamwork with their canoeing partner. Students were then given the opportunity to extent their skills on the day trip, paddling along the Avon River, they all managed themselves well whilst navigating some technical sections of river.

Finally, it was time to go on camp, it was an extremely rewarding experience for the students and a culmination of all our learning throughout the course. We began with a 14.5km hike from Dwellingup to Swamp Oak, we then continued hiking on day two, travelling 13km to Yarragil. Students were challenged with both the distance and terrain along the Bibbulmun Track but found inspiration in talking to members of the public who were also walking the track and had been hiking for many more days than we had. By the afternoon of day two we arrived at Sandy Beach it was time to break for lunch before beginning our canoeing section. Students partnered up and began the paddle along the Murray River, challenging themselves on the rapids before arriving at our campsite, going for a swim, and setting up for the night. The morning of day three brought about extremely cold temperatures, students were up early and went for a run before beginning our final paddle. Students had great fun at Island Pool rapid, with some even opting to re shoot. Our final night was spent at Dwellingup Caravan Park, students enjoyed warm showers, campfire games and lots of s'mores.

## YEAR 11

In Semester 1, the Year 11 Outdoor Education class hiked the Rocky Pool Walk in Kalamunda. It was a fun day, exploring the trail and being out in nature. Students walked with their partner and led different sections of the hike ensuring we did not get lost. Once we reached Rocky Pool, we stopped for lunch and explored the landscape before continuing back to the bus.

In Semester 2, we began preparing for our camp. We used class time to practice our tent building and Trangia cooking whilst also getting comfortable with the mountain bikes, we spent Monday mornings riding from school to John Forrest National Park, improving our fitness throughout the term.

Camp was a fun experience for those involved, we cycled along the Munda Biddi track across three days, with each day bringing a new challenge. Day one was spent navigating single tracks through the bush, finishing with a nice downhill into our campsite. Day two was our longest day, students found this day to be the hardest with constant changes in the terrain and a few technical issues with the bikes, halfway through the day, we stopped for some fun on the pump track in Dwellingup before continuing on to our final night at. On day three, students continued to push themselves out of their comfort zones and did extremely well, navigating different terrain such as sand and loose gravel, pushing through large up hills such as conveyor belt hill and steep down hills as we reached our final stop at Turner Hill. Overall, we cycled 60km – an amazing effort from the Year 11s.

*PHOTO: Mount Cooke: Venessa Ninyette, Siobhan Sudholz, Kevin Magadia, Connar Young, Kyle Southern, Billy Randall-Goddard and Michael Narrier.*

## YEAR 10

This year, the Year 10 Outdoor Education classes, started out with a trip to Rottnest Island. The students made the most of the experience, utilising period 0 lessons to practise their swimming and getting comfortable with the snorkel. Once arriving on the island, students spent the whole day swimming, snorkelling and exploring different reefs.

In Term 2, Year 10s began their mountain unit. At the end of Term we went on a ride through John Forrest National Park and finished the second half of the day at the Goat Farm in Kalamunda riding along the pump tracks. In Semester 2, students began preparing for the end of Year camp. We went canoeing on Lake Leschenaultia, followed by team building on the second day. It was a fun and enjoyable experience for all involved.

*PHOTO: Amelia Headley, Janica Brown, Meraime Warra, Zac Muhic, Josh Holmes Eliza Filmore, Chloe Mitchell, Anna-Leigh Smith, Shanice Moore, Glydine Magadia, Princess Munasque and Paige Baillie.*

## YEAR 9

This year the Year 9 Outdoor Recreation class had fun attending a variety of different excursions. In Term 1, students walked the Echidna trail in Walyunga National Park, taking in the scenery and exploring the natural environment. In Term 3, we started learning about roping and knot tying in preparation to go rock climbing. Students had the opportunity to rock climb, free climb and boulder, it was great fun, students pushed themselves to climb to new heights or reach the top as quickly as they could. It was nice to see students put their trust in one another while belaying and encouraging each other throughout the day. We finished off the year with a day trip to Coogee Beach, snorkelling Omeo Shipwreck, students enjoyed exploring the sea life before finishing the day playing beach volleyball and boogie boarding in the waves.

***Ms Constance McIntosh***
***Teacher***

# Humanities and Social Sciences

The Humanities and Social Sciences Learning Area would like to extend a heartfelt thank you to all staff and students for a successful year. This year marked the arrival of several new staff members, each bringing a wealth of experience and dedication to both the Learning Area and the wider school community.

Adapting to the post-COVID era, our students grew stronger each day. The year began with a few nervous tears from our Year 7s, and ended with tears of joy from our graduating Year 12s.

After a well-deserved break, both students and faculty were eager to dive into the disciplines of History, Civics, Geography, and Economics, exploring the intricate tapestry of human society and its development. We were also thrilled to introduce Japanese as our chosen language of study at Swan View Senior High School, thereby establishing our eighth Learning Area - Languages.

In Lower School, students began the year with History, embarking on a journey through time—from ancient civilisations to the medieval world, and into the modern struggles for freedom. In Civics and Citizenship, students engaged actively with the mechanisms of governance, human rights, and responsibilities in a democratic society.

Semester 2 kicked off with Geography, where students explored the wonders of the natural world before turning their focus to human geography, examining how societies function and interact with the environment. The year concluded with Economics, as students delved into markets, economic theories, and financial literacy.

Our Upper School students shone in their studies of Modern History, Aboriginal and Intercultural Studies, and Geography. Their dedication and hard work throughout the year made us incredibly proud.

This year also saw the beginning of our students' Japanese language journey. They started by learning basic greetings and the Japanese alphabet, practicing calligraphy by writing their names. The year culminated in a fun cultural immersion with a sumo wrestling tournament.

As we move forward, the Humanities and Social Sciences Leaning Area remains committed to delivering a rich, engaging, and comprehensive education. We are immensely proud of our students' achievements and look forward to the exciting opportunities that lie ahead.

***Mr Robert Vernon***
***Teacher in Charge - Humanities and Social Sciences***

*PHOTO: Emily Slade, Shante Regnault, Lacey Hewer, Riley King and Kyle Hill-McNally at Sandalford Wines on Geography excursion.*

*PHOTO: Amelia Arjoon-Cloghan and Shanelle Moore at the Australian Electoral Commission Centre.*

# Mathematics

In 2023, we saw a change to NAPLAN for the Year 7s and 9s. It was moved to Term 1 giving us more time to use the results to improve our students understanding of Numeracy and Mathematics. There was also a change to the way students were reported on with Exceeding, Strong, Developing and Needs additional support, rather than Bands.

Terms 2 and 3 saw OLNA testing for our Year 10 to 12s. Students prepared for this by going over questions with the teacher, and online via mathspace and olna.com.au. Well done to those students who have now passed their OLNA Numeracy.

In 2023, we have continued with After School Maths Homework Club in Room 11.6. A big thank you to Mr Guo for assisting Mrs McCann with supervising and assisting the students. Students who attended worked on completing class work, getting assistance with concepts that they had struggled with, OLNA and NAPLAN study, and getting assistance with assessments where possible. Mrs McCann also ran Friday before school ATAR study group for the Year 11s doing Maths Applications and Maths Methods. This allowed these students to do more “exam” question practice and get extra assistance and support.

The Year 7s were streamed for Maths with those identified by Primary Schools and through testing as the strongest across their four MESH subjects going in to the ACE class. We also created a Focus group for students who needed extra intervention in Literacy and Numeracy. The rest of the students were put into mixed group classes, allowing differentiation where necessary. One of the activities that all of the Year 7s got to participate in was the Paper Plane project. Students watched the movie “paper planes” and then designed and flew their own planes. Students then worked out the statistics for the air time and distance travelled for their planes. The designs were very impressive.

Both our Year 8 and 9 classes continued to trial some of the lesson plans and assessments that have been created by SCSA, with great success. The aim of these trials is to combine multiple skills to increase engagement in Mathematics education.

Our Year 10 ACE class worked hard all year preparing for exams and for future success in ATAR maths courses in Year 11. The general Year 10 classes worked on mastering key concepts required for success at OLNA Numeracy as well as General Mathematics courses in Year 11.

In Year 11 this year, we offered the following courses: Maths Methods, Maths Applications, Maths Essentials and Foundation Maths. Numbers in these courses were quite strong again this year.

In Year 12, students completed Maths Applications, Maths Essentials and Foundation Maths. The competition for the top prize in Maths Essentials came down to less than 1% between the 1st ranked and 2nd ranked students. Well done Dylan Arjoon-Cloghan and Sopattra Ing.

During this year we farewelled Ms Boojhawon, Ms Kakar and Mr Bickerton. We thank them for their work at Swan View Senior High School and wish them all the best for the future.

***Mrs Justine McCann***
***Head of Learning Area - Mathematics and Science***

# Science

We had an exciting year of Science in 2023 with lots of activities, excursions and events happening throughout the year.

This year we had four lots of Year 12 classes in Science: ATAR Human Biology and Psychology and General Human Biology and Psychology. We as a Science Learning Area are very proud of the hard work, dedication, and passion to science these students showed throughout their years at Swan View. We would like to make special mention to Year 12 Kim Smith Memorial Award winner, Blake Kenny for his dedication to Science and success in his Science subjects, modelling the passion and dedication that the late Mr Smith shared for Science.

During 2023, students in science had various experiences and activities:

**WARP Innovations Challenge**
In Term 2, a group of Year 10 and 11 students participated in our first WARP Innovations Challenge presented by the Department of Primary Industries and Regional Development. The challenge provided an exceptional platform for young innovators to delve into real-life primary industry problems and present an innovative solution. The challenge involved teams addressing two significant issues currently affecting primary industries: Marine Depredation and Remote Sheep monitoring. Whilst our team did not secure first place, the feedback was overwhelmingly positive, and the judges were impressed with the innovative ideas of our students.

**Science Week 2023**
During Term 3, we celebrated National Science Week. This year's theme was "Innovation: Powering Future Industries". We completed a variety of activities during classes including Year 8 "Balloon powered Rockets" to describe the movement of balloons as an example of energy transfer and unbalanced forces and Year 10s looked at "Making a better paper plane" to see how innovation could adapt and change designs to produce desired outcomes.

**ATAR Year 12 Zoo Excursion**
During Term 3 this year, the Year 12 ATAR Psychology and Human Biology students headed to Perth Zoo for a day of adventurous learning with Mrs Hawley and Ms Beaumont. The Human Biology students ventured around the zoo comparing the anatomical structures, behavioural responses, and adaptations of various animals with a focus on the primates using the zoos resources to guide them through some research questions about the adaptations. The Psychology students had a slightly different task of witnessing the practical application of learning theories at the zoo and how conditioning can be used to train various animals for healthcare, management, and translocation. The students were even gifted with seeing a Dingo being walked around the zoo on a leash. The students were commended on their comradery and teamwork, organising a barbeque to cook and share around their classmates during lunch time. We were very proud to have these students representing Swan View.

**Year 10 ACE Science and Engineering Challenge**
At the beginning of Term 2, the Year 10 ACE students participated in the Science and Engineering Challenge (SEC) at Claremont Showgrounds. The challenge aimed to alter students' perceptions of science an engineering in a way to inspire them to select Maths and Science subjects in Years 11 and 12. During the challenge, students were involved in competing against other schools in fun and engaging hands-on activities such as designing an earthquake proof tower, building a hovercraft or bridge, and providing electricity to a city. Our students may not have placed on the day but it was great to see what our Year 10 students were capable of without adult intervention.

***Ms Michaela Perry***
***Teacher in Charge - Science***

# Technologies

As we bid adieu to another remarkable year at Swan View Senior High School, it's time to reflect on the myriad of achievements that have made 2023 a standout year for our Technologies Learning Area. From captivating incursions to exhilarating competitions, our students have left an indelible mark in the realm of robotics and technology.

In Term 2, the year kicked off with a burst of excitement as our budding engineers from Year 3 and 4 delved into the world of robotics through engaging incursions. These hands-on experiences not only sparked their curiosity but also laid the foundation for their journey into the fascinating realm of technology.

Venturing beyond the confines of our school, our students showcased their prowess on a broader stage at the Western Australian Robotics Playoffs hosted at Curtin University. Against formidable competition, they displayed unparalleled ingenuity, culminating in a glorious triumph as they clinched the top spot in the Western Australian playoffs. The gleaming trophy, a testament to their hard work and dedication, now stands proudly as a symbol of our department's excellence.

But the journey didn't end there. With unwavering determination, our students ventured into the heart of the Lego League Challenge held at Averley Secondary College. Here, amidst a vibrant atmosphere buzzing with innovation, they pitted their skills against schools from across the Perth region. Armed with their programming prowess, they navigated through complex challenges, demonstrating not only their technical proficiency but also their ability to collaborate and innovate under pressure.

As we look back on these moments of triumph, it's clear that 2023 has been a year of extraordinary achievements for our Technologies Learning Area. Through their passion, creativity, and relentless pursuit of excellence, our students have not only showcased their talents but have also inspired us all to reach greater heights in the ever-evolving world of technology.

***Mr John Vidler***
***Head of Learning Area - Technologies***

*PHOTO: Mr Serafini, Arikihana Leota-Padlie, Cody Vanderleer, Mr Vidler and Dr Sekulla with the Winner of 2023 Western Australian Robotics Playoffs trophy.*

# Digital Technologies

In Digital Technology this year, Education Support students got to experience robotics by programming both Lego EV3 robots and Edison robots though coursed and were even introduced to coding an electronic robot to move through a computer maze. Education Support students also got introduced to programming a vast variety of computer programs using Scratch 3. And finally for Education Support students, we held the 'computer club' where students were introduced to many ways that computers are used in society, from the correct way to use software like Microsoft Word to how to correctly structure an email and set up an automatic signature.

Year 7 students got introduced to the core aspects of computer theory, used binary code to decrypt coordinates to locate secret symbols, designed and coded brand-new games using Scratch 3, and coded an Edison robot to navigate through a maze on its own.

Year 9 students got introduced to the world of game development by exploring the base coding language of Python, researched into the development of their favourite game franchises, delved into Minecraft to understand how coding in Minecraft can be done, coded intense games using Scratch 3, and got a taste of intensive game development in Game Maker Studio 2 where they were made to create their own sprites, backdrops, and code to build a game based on their favourite stories.

Year 10 students further explored the coding language of Python by developing their own text based adventure game, researched into the development of their favourite game franchises, delved into Minecraft to build and code challenging minigames, and delved intensive game development in Game Maker Studio 2 where they were made to create their own sprites, backdrops, and code to build a game based on their favourite world stories.

The Robotics Club were challenged to build and program Lego EV3 robot to participate in the 2023 First Australia Lego League competition where they had to explore the world of the arts and media by programming their robot to complete challenges based on different aspects of how arts and media is used and where it plans to be used in the future.

***Mr Geoffrey Serafini***
***Teacher***

*PHOTOS: Joel Fillmore, Lateisha McGowan, Kyle Hill-McNally, Bryze Uy, Tory Hounsham, Jack Wylde and Ruby Webb.*

# Home Economics

Another busy year in Home Economics. Students have been able to develop skills that are useful in everyday life, they have learned how to prepare food, the cost and pricing of food, health and nutrition, safety, hygiene & cleanliness. Additionally, the Year 11 and 12 Children, Family and the Community class fundraised for the Breast Cancer Foundation and learned about child development and family structure.

**Year 7**
In Year 7, Food Specialisation students got to learn basic cookery, uses of kitchen equipment, how to accurately measure ingredients, how to read recipes and understand abbreviations. Students got an introduction into nutrition and learn about the Australian Guide to Healthy Eating.

They were able to demonstrate their practical skills by creating their own egg meal and healthy hamburger.

**Year 8**
In Year 8, Food Specialisation, students delved into sensory properties to create healthy meals, focusing on practical cooking and basic nutrition science. Through hands-on experiences, they mastered flavour, aroma, and texture while exploring ingredient nutrition.

**Year 9**
In Year 9, students explored international foods. They learned about diverse global cuisines, focusing on both practical cooking skills and understanding the cultural significance of dishes. Throughout the year, students adapted recipes to consider cultural variations, dietary preferences, and nutritional principles.

**Year 10**
In Year 10, Café foods, students, focused on the intricacies of café foods. The curriculum placed a spotlight on honing practical cooking skills specific to café-style cuisine while also delving into the business aspects of running a café, aligning with the broader goals of the curriculum.

**Year 11**
In Year 11 Food Science and Technology, our three classes had an engaging journey exploring the wonders of food together. Students honed their baking skills with the bake-off competition, learned healthy eating recipes and devised a healthy meal that met the Australian Dietary Guidelines, enhanced their knowledge of macro and micronutrients. Costing and nutrition labels were taught to ensure students can continue using these skills to make positive choices.

**Year 12**
In the final year of Food Science and Technology, students mastered their cooking skills. They were able to utilise their knowledge of nutrition and produce meals that met the Australian Guide to Healthy Eating. They learned about functional properties of food and delved into the scientific aspect of food. Students produced their own ‘heat and eat’ style meal and created the label and nutrition panel. Students will be able to use these valuable life skills and continue cooking in the future.

**Year 11 and 12 Children, Family and Community**
Students engaged in learning about pregnancy, child development, developmental milestones, child theorists, family structure, child nutrition and much more in Children, Family and the Community. Students were able to take the reality baby home overnight and experience what it would be like to look after a newborn baby for 24 hours.

They created a healthy lunchbox and raised $359 for Breast Cancer Foundation by running a bake sale.

# Vocational Education and Training (VET)

2023 was packed with exciting experiences for our VET students at Swan View Senior High School.

We offered a huge range of opportunities to our students, encompassing auspiced (on-site) certificates, profile (off-site) certificates, traineeships, career tasters, work experience and programs brokered by the Smith Family – the Growing Careers Project, which took us to two career expos, and SmArts events with WAAPA and North Metro TAFE.

On-site VET included: Certificate III in Business, Certificate I and II in Active Volunteering, Certificate II in Community Services, Certificate II in Creative Industries – Drama, Certificate II in Engineering Pathways, Certificate II in Sport and Recreation and Certificate II in Workplace Skills.

At TAFE, students engaged in Certificate II in Rail Infrastructure, Certificate II in Salon Assistant, Certificate II in Engineering, Certificate II in Community Health, and Certificate II in Automotive Servicing.

We also had students participate in school-based traineeships where they completed a certificate course and also engaged in regular work experience one day per week. These traineeships covered Certificate III in Early Childhood Education and Care, Certificate III in Retail, Certificate II in Retail Services.

Our VET trainers have continued to build relationships with a variety of industries and community agencies and are excited to see where these connections will take us.

# Structured Workplace Learning

This year we had a number of Year 10 and 11 students participate in work experience. Spending time in a workplace gives our students a chance to see what it is really like in their chosen industry.

Our students spent time in a wide range of work places:

- The Australian Wig Company
- Bruce Rock Engineering
- BTP Group
- Cuddly Animal Farm
- EarthCare Recycling
- Hairhouse Midland
- Midland City Toyota
- Pool Blanket Boxes
- Riding for the Disabled
- The Ritz-Carlton
- Simply Beauty
- Swan Vet
- TL Engineering
- Tuohy Nursing Home
- Vale Steel Constructions
- Wade Fleet Maintenance
- Wandoo Carpentry

# Student Services

# Lower School

## PROGRAM COORDINATOR

In 2023, Student Services prioritised recognising students who embody and demonstrate our DARE values (Diligence, Accountability, Respect, and Extraordinary). Throughout the year, Student Services ran a number of Year Assemblies to emphasise the importance of making positive decisions. These assemblies provided a platform for our students to understand the impact of their choices and the ways in which they can shape their futures. Recognising exceptional commitment to their education, students with attendance rates of 95% received commendation certificates. Consistent attendance is a cornerstone of success in education, allowing students not only to maximise their learning opportunities but also to develop crucial life skills such as responsibility and time management.

On Thursday 14 September, our school proudly participated in R U Okay Day 2023. This day served as an important reminder to all Australians that every day is the right day to ask, "Are you OK?" and initiate meaningful conversations with those we care about. To support this important initiative, we partnered with organisations like Headspace, RAC, and Helping Minds to deliver workshops focused on well-being, social media, and goal setting. Various agencies, including Derbari Yerrigan, Mercycare, CarersWA, and Rise, set up stalls to increase awareness of the support networks available to young people in our community. The event saw our school band serenade us with the latest chart hits, and a special rendition of the Bluey theme tune. Our students also welcomed the sausage sizzle and gave the ice cream van the thumbs up.

Student Services' Term 4 focus has been to create opportunities for students to make and build healthy relationships through various memorable and fun-filled activities. Our Legendary Lunches have been the highlight, providing students with fantastic opportunities to bond and create lasting memories. From the icy poles giveaways in Week 5 to the infectious energy of the Hula Hoop challenge in Week 7, where students and staff synchronised their moves to a lively beat. Year 7 students, Levi Shoemark and Tom Tran showcased exceptional footwork and earned well-deserved canteen vouchers.

The festive spirit continued in Weeks 8 and 9 with the Quistmas Quackers challenge. Students enthusiastically searched for numbered little plastic Christmas ducks hidden across the school with four lucky students winning gift vouchers through a draw of registered finds. Thank you Ms Mathers for your enthusiasm and for leading the initiatives.

In Week 9 and 10, staff nominated Year 7-10 students to receive recognition certificates at the DARE Award assemblies for embodying our school's DARE values. Congratulations to all recipients and for being outstanding role models for your peers.

In addition, students who recorded 90% attendance and above and had Good Standing throughout the year, attended the Outback Splash excursion on Thursday 14 December. We extend our gratitude to the supervising staff who made this day a huge success.

We wish our Year 9 students all the very best for their transition to Year 10 and we're sure you'll make the most of the courses and programs in offer.

***Mr Thomas Jones***

# Upper School

## STUDENT SUPPORT COORDINATOR

The Upper School Student Services team are many things to many people. Our primary role is to support students in Years 10 - 12 with their education, social-emotional wellbeing and behaviour. We are also always available to discuss any issues or concerns that parents or caregivers may have regarding their child's academics, wellbeing or behaviour.

Both Ms Pauline Manser and I have enjoyed building positive relationships with our Upper School students and take great pleasure in watching them mature over the course of the year. There is a definite shift in their thinking and actions as they mature and make positive choices regarding their academic journey. Year 11 and 12 students especially, focus on the final few years of their high school journey as they strive to achieve the best results possible to set themselves up for future endeavours.

Along with the usual rigors of academic achievement, in 2023 we also introduced several fun events to build a sense of community across the school.

We continued with Upper School events such as reward excursions, the River Cruise and the Year 12 School Ball, but also added some whole school events.

The first of these was our inaugural Colour Run. What a crazy and colourful event. Students who participated had a fantastic time. I'm sure I saw many staff with grins a mile wide as they chased students armed with water squirters and coloured powder.

The community events continued in Term 4 with icy pole days always well received. A hoola hoop dance sequence was also fun for staff and students who participated, although we had to break for a school wide rendition of the 'Y.M.C.A.'

Our final whole school event was the first ever Quistmas Quackers hunt. One hundred numbered little Christmas ducks were hidden around the school for students to find and register. Students who found a duck went into a draw, with four students winning a $30.00 gift voucher each.

During the final week of 2023, we acknowledged the students who completed the year with 100% attendance. What an outstanding achievement. Approximately 15 students from Years 7 - 10 enjoyed a special lunch to celebrate. The students were joined by Principal, Dr Sekulla and Deputy Principals, Mrs Hawley and Ms Scriven also attended to congratulate students.

Now, as we say goodbye to 2023, I would like to extend a huge 'thank you' to Ms Karen Scriven, Deputy Principal - Student Services for her leadership, guidance and support of both staff and students. Her door is always open to students, parents/caregivers and staff and we continue to improve daily due to her tireless efforts.

We wish our Year 12s a fond farewell and hope the years to come bring amazing opportunities in whatever pathway they choose, and to our Year 10 and 11 students and their families, we wish you a well earned break and look forward to welcoming you all back for 2024.

***Mrs Sophia Mathers***

# Chaplain's Chat

## BREAKFAST CLUB

We are fortunate to have Breakfast Club daily, at our school we find that this, alongside the social aspects of sharing food and chatting, makes for an ideal start to the day. Special thanks our breakfast partners Manna Kids, Foodbank WA and school staff who help run the program; without you we would have not been able to serve 6776 meals in 2023.

## FITNESS CLUB

We offer Fitness club four times a week and it is more than a place to sweat, it radiates energy and fosters community. Thank you to the students and staff who attend to stay commitment to oneself, Fitness is not just a physical journey but a mental and emotional one, a promise of better health, and a pursuit of inner balance.

## WAGGYL ROOM

We open the doors at the Waggyl Room during school break times to all students to have a place to chill out with friends, have something to eat or catch up on homework. This year the Nintendo Wii was big hit and towards the end of the year the McNaughton family donated a Foosball table for all to enjoy.

***Mr Jon Jon Ramirez***

# River Cruise

The 2023 River Cruise was held at the end of Semester 1 for all eligible Year 11 and 12 students.

The Crystal Swan is the perfect vessel from which to enjoy an evening cruising the river and dancing the night away.

The night was a fantastic opportunity for students to get to know peers they may not normally spend time with, make new connections and build and strengthen friendships.

# Extra Curricular

# Swan View Soccer Program

The Swan View Soccer Program had an action-packed year and in Term 2 our Junior Boys and Girls competed in the School Sports WA Pennants League competitions. The two squads consisted of students in Years 7, 8 and 9. Both teams took massive steps forward and developed well. After a huge amount of interest throughout the 2022 season, it was exciting to see a very successful girls soccer team as they won four and recorded a draw across their six games. The results for each of the fixtures are highlighted below. This season, the team scored a total of 18 goals with nine different goal scorers contributing throughout the competition.

| Swan View Senior High School vs Dianella Secondary College 5 - 1 | | | | |
|---|---|---|---|---|
| **Goal Scorers** | Janica Brown Two goals | Amelia Headley | Glydine Magadia | Lily Detloff |
| **Best On Ground** | Janica Brown | | | |
| **UP&Goer Award** | Angel Hart | | | |

| Shenton College vs Swan View Senior High School 3 - 0 | |
|---|---|
| **Goal Scorers** | |
| **Best On Ground** | Amelia Headley |
| **UP&Goer Award** | Alex Andersen |

| Swan View Senior High School vs Morley Senior High School 4 - 0 | | | | |
|---|---|---|---|---|
| **Goal Scorers** | Sharnae Brown | Lily Detloff | Amelia Headley | Glydine Magadia |
| **Best On Ground** | Shanice Moore | | | |
| **UP&Goer Award** | Lily Detloff | | | |

| Swan View Senior High School vs Dianella Secondary College 5 - 0 | | | | |
|---|---|---|---|---|
| **Goal Scorers** | Janica Brown Two goals | Angel Hart | Amelia Headley | Anna-Leigh Smith |
| **Best On Ground** | Stacey Phillips-Beale | | | |
| **UP&Goer Award** | Alana Agostino | | | |

| Shenton College vs Swan View Senior High School 1 - 1 | |
|---|---|
| **Goal Scorers** | Rhenae Beagley |
| **Best On Ground** | Glydine Magadia |
| **UP&Goer Award** | Lacey Hassner |

| Swan View Senior High School vs Morley Senior High School 3 - 1 | | | |
|---|---|---|---|
| **Goal Scorers** | Lily Detloff | Stacey Phillps-Beale | Anna-Leigh Smith |
| **Best On Ground** | Ella Walters-Cohen | | |
| **UP&Goer Award** | Jade Platt | | |

As a reward for consistent attendance in the lead up to the competition, students who attended the first five training sessions were eligible to receive an UP & GO. After each game, two students were chosen for the ‘Best on Ground’ and ‘UP&GOer award’. Students who displayed resilience, determination and improvement were rewarded with an UP & GO for their outstanding efforts.

In Term 4, the Swan View Soccer Program had a fresh makeover, with the new soccer kits arriving thanks to the generous donation of Sanitarium. The Year 7s were excited and privileged to unveil the new jerseys at the recent lightning carnival.

Well done to the students listed below for their great commitment and effort throughout Term 4. Across the year, we have seen 32 girls from Years 8 to 10 and 43 boys from Years 7 to 11 attend at least one training session. There has been a huge amount of interest and massive improvements across the entire year. I wish you all a safe and well-rested holiday, and look forward to more success in 2024.

Lastly, I would like to personally share my appreciation to the many staff members who have supported the program this year at various points in time. I expect the program will continue to grow and none of it would have been possible without their support. Special thanks to Mr Evans for his hard work and consistent commitment all year.

***Mr Michael Zampogna***

# Volleyball Club

Volleyball Club continued with great interest in 2023, running every Tuesday after school for our Upper School students. Volleyball Club has been a place where students of all abilities can come down and have a go. The Club was all about developing game play skills in a fun, enjoyable environment, as well as giving Physical Education Studies students an opportunity to practice and improve their skills in preparation for their practical assessments.

During Term 2, we had three teams nominate in the School Sport WA Volleyball Tournament at Warwick Stadium. The tournament was an all-day carnival where our students got the opportunity to play against other schools and demonstrate their volleyball skills in a competitive environment. Each team showed great skill and enthusiasm, all making it through to finals. Unfortunately, we did not take home the silverware this year, but we are very excited to see what the next group of students coming through have to offer. It was a fantastic year, we all had lots of fun and I can't wait to see it grow even further.

# Swan View Book Club

Book Club is run for one hour a week directly after school. The students and I meet in my classroom and read over drinks and snacks, two sessions a month for reading and two for discussion. In Book Club, the aim is for students to have a chance to explore texts inside of school curriculum but outside of the school's text list. We aim to explore the books as pieces rather than strictly as teaching and in this we find a lot that might not be found inside a classroom. The books we read are often chosen as collaboration between the students and myself so that the students can find interest in their learning.

The first book we read this year was Shirley Jackson's 'The Haunting of Hill House', a horror classic that the genre would be referencing all the way up until today. Together, we looked at how the prose brings Hill House to life, how the first-person point of view helped show the houses corrupting influence and how a novel has to build fear through tension and an incredible writing without the very handy help of camera, lights, and sound.

The second book we read was *Invisible Cities* by Italo Calvino, a collection of short stories that could have been discussed for the year entire. In this book, the true historical characters Kublai Khan and Marco Polo discuss the many cities of Kublai's empire with a unique twist, the cities are all entirely made up. Each of the cities, given a name common to Italian women, represents something Calvino sees as inherent to human nature. There's *Despina* that looks different when approached from land or sea, sailors see a camel that can take them into a desert away from the waves they've spent too long with, the land bound see a boat that can take them off onto the waves and away from the sand and dunes. There are fifty-two cities in the novel, and we all had different favourites (Although Despina is mine).

At the end of Book Club this year, we said goodbye to some of the first Year 12s who signed up in 2021, I want to thank them for their time and wish them a wonderful time after graduation that I hope will still have room for a short story or two.

***Mr Lucas Bennett***

# Australian Defence Force Awards

The Australian Defence Force offers an awards program which is open to all Australian Schools, the program supports the presentation of up to two awards to successful students each year from participating schools – two students from Year 10 and two from Year 12.

The awards are:

- Future Innovators Award
- Long Tan Youth Leadership & Teamwork Award

The Australian Defence Force (ADF) Future Innovators Award has been designed to recognise recipients' science and mathematics abilities while highlighting the value the Navy, Army and Air Force place on STEM skills and STEM career opportunities within Defence.

The awards are a means to formally recognise those students who have demonstrated motivation and innovation in the areas of STEM within their school, and who display strong personal ethical values, such as doing one's best.

The Australian Defence Force (ADF) Long Tan Youth Leadership and Teamwork Awards are to encourage the development of behaviours and attributes considered critical in Australia's leaders of tomorrow.

The awards recognise students who demonstrate leadership and teamwork within both the school and the broader community, and who display strong values, such as doing one's best, respect for others and "mateship" - values considered integral to both the ADF and Australian society.

Students are nominated by staff and the final decision made by Mrs Hawley, Deputy Principal – Teaching and Learning.

# Head Boy's Address

Six years ago, I sat right upfront of the Gymnasium with the boys, watching Mr Toki's speech and thinking to myself that looks pretty fun. As the years went on, I'd sit further and further back in the gym. As I moved back I'd better understand each speech and that they weren't just a fun little thing you do to make the school laugh but they were meaningful. Now I stand here, presenting this speech I wanted to be funny and make everyone laugh, but has now ended up being meaningful to at least me.

I think as a collective we can all agree we had some weird years.

We had the typically Year 7 and 8 years. Water guns, phones breaking, all the hot gossip about who was with who each new week. The maybe not so typical double period class, with the most influential teacher a lot of us have had, Ms Perry. Even in ATAR, I still use your DMIC acronym to remember my variables. To a hectic and chill Year 9, filled with lies that we were doing our work while in quarantine and watching Netflix, or Year 10, a time I feel many people found themselves and what they wanted, especially Jayden who decided he wanted to dog everyone and do a trade.

And our last two years, some peoples most stressful times of their lives, which I don't think I need to speak much about.

The most important thing in helping us get through all these random, influential period of events was those around us. For me it was the boys, Oska, Arthur, Roger, Dylan W, Blake (and Dana, sorry Dana was there too), to the wonderful teachers, Ms Jessica GOATmont, JonJon, Mrs Bradley and basically all of the Sport Department.

My mother who always expected better than the best, and my dad who was her voice of reason no matter who these people are in your life, they are the ones who will support you through all the struggles you will inevitably face, whether your in Year 7 or a fellow Year 12, or even as old or as bald as Dr Sekulla, find the people you love, and stick with them. Because they will be there for you when you are doing thd last minute assignment, or applying to some full time jobs, uni, TAFE or balding. But most of all, always believe in yourself and your ability. And always, always keep going as Alexander the Great Volkanovski said "everyone, I don't care if you love me or hate me. stand up for yourself. people tried to bring me down, I stood up and look at me now. no one can bring me down anymore"

Or as the King Nick Eh 30 said "Never back down. Never what? Never give up"

Thank you, and goodluck too all the Graduates of 2023.

***Dylan Arjoon-Cloghan***

# Head Girl's Address

Each morning we walked through the gate to greet Mrs Hawley, “Good Morning.” Making a farewell speech, and realising, that we have reached the end of a chapter is a surreal feeling. So, to everyone apart of all our journeys, thank you.

Taking it back to the beginning, I remember starting school two weeks later than everyone else. That daunting feeling is one I’ll never forget. Though, I realised that it is never too late to start making friends, some of which will be there all the way through.

Shout out to Amber and Sopattra. Or better known as the plastics, thanks to Ms Parella.

It’s 2018, Year 7, A typical math lesson, learning about numbers and stuff… suddenly the students pull out water guns and start spraying the teacher. The thrill was beyond measurable. Or that one HASS class with Judgey, where we watched Remy hop onto the table blasting AC/DC. Little did we know he was about to obliterate his phone as it came into contact with the fan.

I think it’s fair to say our group has matured quite a bit.

So, to the Lower School kids – the Greenies, enjoy getting up to mischief and creating countless memories while you can, because soon enough it’ll be you sitting up here. And when you’re up here, you begin to realise that life comes with many responsibilities.

To the Year 11s, walk into Year 12 with a positive outlook. I urge you take as many opportunities as possible throughout the year. You’d be surprised how quick the time flies.

My biggest advice for all of you sitting before me, is to find your motivation. For me, it was definitely sport. It was sport which brought me the closest to my cohort. The countless lessons of friendly games which turned competitive, all the failed skill demonstrations from Mr Zampogna during Year 10 Physical Education and the caramel slices from Mr Garfield that we used to boost our energy mid tournament, just to lose in badminton. These small but significant memories are ones which stick for life.

Being Head Girl wouldn’t be possible without a push from the support around me. Mr Crawford told me that it’s when you take risks, that the best things happen. And Mr Fletcher reminded me that nothing lasts forever. Failing today doesn’t define who you are tomorrow.

Stepping into the real world is a scary thought, but it’s becoming a reality. No matter what pathway you are heading on in your life, it is important to continue moving forward.

Education is timeless.

Take the opportunities present to you and worry about learning how to do the work afterwards. As Michael Jordan said, “I have failed over, and over, and over again. And that’s why I succeed”.

We are grateful to all the teachers, friends, family, and others… who put up with all the teenage mood swings, banter and especially the support you’ve given us through the years.

As we embark on our own journeys, I wish you all the best.
On behalf of the class of 2023, I’m officially signing off.

***Angela Risteska***

# Chaplain's Address

I have had the honour of running our Swan View Emergency Service Cadet unit for over a decade One of the skills we develop is bushcraft, we test this by taking the Cadets on a hike that climbs Mountt Cooke and spending the night camping along the Bibbulmun Track. For those who are unfamiliar Mount Cooke, it is located near Jarrahdale and is one of the highest points on the Darling Scarp, at 582 metres.

The camp is a great test of their skill also a character-building exercise.

Through running this camp, I have discovered a few life lessons that I would like to share.
Lesson Number One
It's ok to be uncomfortable.
Camping evokes two emotions.

1. The magic of reconnecting with nature and marshmallows by the fire with loved ones
2. The dread of dealing with drop toilets and bugs and insects.

To truly be a happy camper you must embrace being uncomfortable.

Lesson Number Two
Pick the right buddy.

We have a buddy system, not just for safety reasons but also to set up and share a tent with and meal prep. Unfortunately, one camp a Cadet's buddy didn't show up and she was left to do it on her own. Make sure when you pick the right buddy, someone who makes you feel safe and is dependable.

Lesson Number Three
Learn to let go.

We have a very strict equipment list; the Cadet's are instructed to only bring what is on the checklist. This is to prevent bringing anything unnecessary for example a hairdryer!
We had a cadet bring to the hike an extra backpack of clothes, when asked why he said, "My parents told me to!" I had to respect that, but he struggled to carry both during the hike.
In life we need to let go of what brings us down.

Lesson Number Four
Carry each other's burdens.

I love this African Proverb
"If you want to go fast, go alone. If you want to go far, go together"

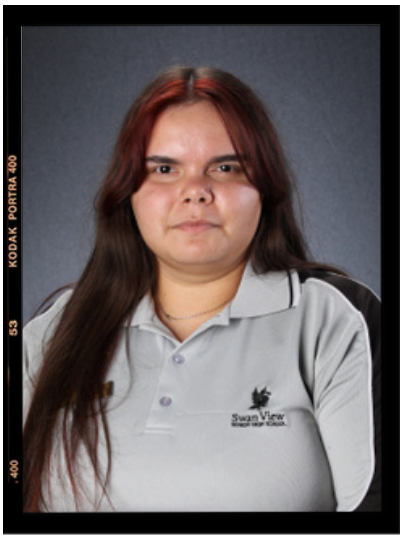

What I am most proud of when Cadets helped each other, when they recognised someone fatiguing during the hike, they would offer to help carry some of the gear to ease their burden, I witnessed them helping the Cadet with her set up because her buddy didn't show up for camp and they stayed with her until camp was done.

In closing, I leave you these words of wisdom found in Galatians 6:2
"Carry each other's burdens and in this way, you will fullfil the law of Christ."

**Nickname:** Nae Nae

**What is your favourite memory of High School?**
Tyrell falling down the stairs.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Not let my mum give me a phone or social media accounts.

**Where do you hope to be in 10 years' time?**
I hope to have runaway to Europe

## Anushca Cronje

**Nickname:** Anushca

**What is your favourite memory of High School?** Year 10 Outdoor Education Mountain Biking trip/first day of Year 8.

I**f you could go back to Year 7, what is one thing you would do differently at school?**
Not care what anyone thinks, be myself.

**Where do you hope to be in 10 years' time?**
Living life to the fullest with my loved ones, doing what I love and having adventures, working in my dream job helping animals!

## Ivy Crowe

**Nickname:** Iv's

**What is your favourite memory of High School?**
My favourite memory was going to Coles after school finished only to come back to school to practice on our class production for drama but mainly have a picnic in the PAT for majority of the time.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Getting a better fashion sense earlier and to not dye my hair red.

**Where do you hope to be in 10 years' time?**
I hope to be balling in money and retired already.

## Raydan Cumper

*No response was received at the time of publication.*

## Tehleigha Darmo

**"I'll get it done tomorrow."**

**Nickname:** T

**What is your favourite memory of High School?**
Cooking class with the girls.

**Where do you hope to be in 10 years' time?**
Working as a Paediatric nurse.

## Delta Dawson

**“Don’t let other peoples decisions impact your choices, be yourself, be better.”**

**Nickname:** Little Legs

**What is your favourite memory of High School?**
My favourite memory of High School was heading into Stars with my friends during recess and lunch and just talking with everyone.

**If you could go back to Year 7, what is one thing you would do differently at school?** I’d probably come out of my shell sooner.

**Where do you hope to be in 10 years’ time?**
I’d hope that one day I’ll have a successful job, more specifically a job as a social worker.

## Maria Diosana

**Nickname:** Jane

**What is your favourite memory of High School?**
Laughing with friends at the most silliest things

**If you could go back to Year 7, what is one thing you would do differently at school?**
To study better and get out of my comfort zone.

**Where do you hope to be in 10 years’ time?**
A successful business woman that has travelled everywhere.

## Arthur Douglas

**Nickname:** Artoo

**What is your favourite memory of High School?** Being cool.

I**f you could go back to Year 7, what is one thing you would do differently at school?**
Be more cool!

**Where do you hope to be in 10 years’ time?**
Be even cooler!

## Oska Dunn

**“Everyone starts out with different loot, its just a matter if how you use it 🤓💯”**

**Nickname:** Oska

**What is your favourite memory of High School?**
Getting wins with the squad.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Realising that the smaller the storm the better the people.

**Where do you hope to be in 10 years’ time?**
The next better call saul.

## Matthew Goble

**Nickname:** Double T

**If you could go back to Year 7, what is one thing you would do differently at school?**
Be more mature.

**Where do you hope to be in 10 years’ time?**
I am hoping that I will be a full-time lawyer, earning a full wage, and have a house with a mortgage.

## Amber Headley

*No response was received at the time of publication.*

## Heidi Hewett-Jones

**Nickname:** Silly :3

**What is your favourite memory of High School?**
Leaving it.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Not do Robotics**.**

**Where do you hope to be in 10 years' time?**
In my room.

## Sopattra Ing

**Nickname:** Sop.

**What is your favourite memory of High School?**
When Lily fell down the stairs.

Having good laughs in Stars.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Different style.

**Where do you hope to be in 10 years' time?**
Good house, motorbikes and dream car.

## Shilo Pearce

**Nickname:** Shy Shy

**What is your favourite memory of High School?**
Meeting new people.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Being violent to this one student.

**Where do you hope to be in 10 years' time?**
Being happy.

## Timothy Pearson-Goodacre

*No response was received at the time of publication.*

## Dana Pennington

**“Live, Laugh, Love"**

**Nickname:** DANA

**What is your favourite memory of High School?** Outdoor Education with Mr Jones.

I**f you could go back to Year 7, what is one thing you would do differently at school?**
Don’t do ATAR.

**Where do you hope to be in 10 years’ time?**
Married to a RANGA.

## Moana Pickett

*No response was received at the time of publication.*

## Viktoria Pierzynka

*No response was received at the time of publication.*

## Sarah Randall

**“How do you spell this.”**

**Nickname:** Moose

**What is your favourite memory of High School?**
Mr Bennett’s English classes.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Not date Ivy’s cousin but it’s ok character development.

**Where do you hope to be in 10 years’ time?**
Gotten the degree I want to get and making lots of money from it

## Billy Randall-Goddard

**“Keeping up the tradition by handing this in late too 😂”**

**Nickname:** Billy

**What is your favourite memory of High School?** Lunch and recess with the boys.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Nothing different.

**Where do you hope to be in 10 years’ time?**
Travelling.

## Rochan Ricci

**“If I can graduate, anyone can.”**

**Nickname:** Roach

**What is your favourite memory of High School?** 2.50pm.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Focus more.

**Where do you hope to be in 10 years’ time?**
Off the grid.

## Jackson Riseley

**“I only finished for my mum.”**

**Nickname:** Autocorrect

**What is your favourite memory of High School?**
Lighting the bench on fire.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Nothing different.

**Where do you hope to be in 10 years’ time?**
FIFO

## Angela Risteska

**“I’m just a girl.”**

**Nickname:** Ang

**What is your favourite memory of High School?**
Outdoor Education Camp in Year 10.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Take more risks.

**Where do you hope to be in 10 years’ time?**
At the bare minimum.. alive.

## Roger Rojo

**Nickname:** Roger

**What is your favourite memory of High School?** Can’t remember.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Nothing much I guess.

**Where do you hope to be in 10 years’ time?**
Hopefully somewhere.

## Bevin Salter

**“Life gave me lemons, but I prefer apple juice.”**

**Nickname:** Bev

**What is your favourite memory of High School?**
When Matthew said his Nokia was indestructible and he dropped it and it broke.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Be funnier.

**Where do you hope to be in 10 years’ time?** Working FIFO.

## Lily-Anne Shoemark

**“If I end up in the friend zone, I’ll end up in his friends phone.”**

**Nickname:** Lil

**What is your favourite memory of High School?**
Being behind the English stairs.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Have a different point of view towards school.

**Where do you hope to be in 10 years’ time?**
Owning my own business.

## Christina Solomon

**Nickname:** Tina

**What is your favourite memory of High School?** Cultural gatherings in the toilets (insert video of Sopattra dancing).

**If you could go back to Year 7, what is one thing you would do differently at school?**
Stock up on Canteen food when Colin was here.

**Where do you hope to be in 10 years’ time?**
Living my best life in Dubai.

## Kyle Southern

*No response was received at the time of publication.*

## Siobhan Sudholz

**“It’s just life, it’ll be over before you know it!”**

**Nickname:** Shivvy

**What is your favourite memory of High School?**
Hiding in the toilets.

**If you could go back to Year 7, what is one thing you would do differently at school?**
Move schools 💀

**Where do you hope to be in 10 years’ time?**
Marry some famous rich person who plays Basketball (preferably light skin).

## Russell Tenorio

**“Don't let others decide what your future will be.”**

**Nickname:** Russell

**What is your favourite memory of High School?** Me and my friends winning a basketball game.

I**f you could go back to Year 7, what is one thing you would do differently at school?**
Don't be shy and try new different things.

**Where do you hope to be in 10 years’ time?**
Living my dream.

In true Swan View Senior High School tradition, several days of leavers activities highlight the end of the High School journey for our Year 12s.

Dress Up day began with a delicious buffet lunch catered by the canteen followed with the Mock Awards presentation. The Awards were voted on by the cohort and very clearly showed that the group new each other's entertaining personalities very well.

Subject teachers also presented fun and quirky subject awards to many of the students.

The Learning Area costume parade occurred during recess with themes chosen by the Year 12 students. This year's theme revolved around different children's television shows.

The 2023 Year 12 School Ball was held on Friday 17 February 2023 at the picturesque Mulberry Estate in Caversham.

Over 100 Students, partners and staff enjoyed a wonderful evening at one of the highlight events of Year 12.

Arthur Douglas wowed us with his dance moves and, when named Best Dancer, delivered a speech worthy of any Hollywood celebrity.

Venessa Ninyette and Michael Narrier were voted as the Belle and Beau of the Ball for 2023.
